Relevant Professional Experience

Licensed Professional Counselor & Internship & Research Coordinator, Catalyst Counseling Center of Colorado Commerce City, CO July 2016 – present

- Provide individual and group counseling to individuals age 2 and up, using a variety of modalities, including play-based therapy.
- Supervise interns completing CACREP internships.
- Provide supervision training to team members, as well as supervision of supervision.
- Collaborate on treatment team to meet needs of clients.
- Provide research consultation, as well as coordinate research activities for team including presentations at conferences.

**Practicum II External Placement Coordinator & Instructor – Lowry
Campus, University of Northern Colorado: Denver, CO. August 2017 – present
Applied Psychology and Counselor Education**

- Oversee clinical placements for Master's students in CACREP-Accredited Clinical Mental Health Counseling and School Counseling programs.
- Ensure community-based counseling sites meet program standards.
- Provide group supervision to Master's students and supervision of supervision to doctoral students in CACREP-Accredited Counselor Education and Supervision program.
- Prepare and teach courses to students in CACREP-Accredited Clinical Mental Health Counseling and School Counseling programs.
- Engage students in both 15-week semester formats and intensive weekend format courses, in which a semester of content is covered over two weekends of class.
- Utilize a variety of pedagogical methods to provide learning experiences for students.

Research Consultant: Denver, CO. August 2016 – present.

- Assist doctoral students with preparation of manuscripts and dissertations.
- Advising researchers on methodology, literature review, and research agenda.
- Reviewing documents for clarity and methodological rigor.

**Assistant Professor, Applied Psychology Department: Antioch University New England
Core Faculty, Clinical Mental Health Counseling Program
Keene, NH August 2015 – August 2016**

- Prepare and teach 2-4 courses per semester in CACREP-Accredited Clinical Mental Health Counseling Master's degree program, in face-to-face and online formats.
- Serve on departmental Student Engagement and Social Justice committee.
- Collaborate with faculty and staff across campus and local community to assess AUNE's commitment to diversity, equity and inclusion as part of a task force for a grant awarded by the New England Resource Center for Higher Education (NERCHE).
- Advise students in fully online and face-to-face programs regarding plan of study, possible practicum and internship placements, professional aspirations, and gatekeeping concerns.

**Assistant Clinic Director, Psychological Services Clinic: University of Northern Colorado;
Greeley, CO July 2014 – June 2015**

- Initiate and maintain community partnerships to facilitate student learning, as well as to help meet community mental health needs.
- Collaborate with other University of Northern Colorado faculty and staff to ensure continuity of care and continued operation of the clinic (e.g. the Dean of Students).
- Provide support to practicum instructors and students to ensure client needs and student training needs are met.
- Screen potential clients and assign/refer to appropriate services and level of care.
- Train and oversee a staff of seven doctoral clinicians.

**Supervisor and Counselor, Psychological Services Clinic: University of Northern Colorado;
Greeley, CO – August 2012 – May 2015**

- Supervise Master's student counselors-in-training in on-site and community-based practicum experiences in individual therapy and play therapy.

- Provide guidance and feedback to counselors-in-training utilizing a variety of methods such as live supervision, tape review and self-report.
- Engage in reflective practice through ongoing self-supervision, supervision by faculty, and consultation with fellow doctoral supervisors.
- Collaborate with site supervisors of students when appropriate.
- Provide individual and group counseling, as well as play therapy, to diverse clients while receiving direct supervision from faculty members (licensed professional counselors and licensed psychologists).
- Participate in staffing and group supervision with other doctoral students.

Counselor Intern, Community Reach Center Brighton Outpatient Office; Brighton, CO — August 2010-May 2011

- Provided individual and group counseling, as well as play therapy to a diverse population of clients while under supervision by a licensed psychologist.
- Balanced the demands of paperwork and strict adherence to agency policies with the clinical needs of clients from ages 6-60.
- Worked effectively on a team of counselors, psychologists, social workers and psychiatrists to collaboratively meet the needs of clients.

Residential Counselor, Larimer Center for Mental Health: Namaqua Center; Loveland, CO —2009

- Provided stability and support for traumatized children in a residential treatment center, following a brain-based treatment model that focused on empathy, reflection of feelings and enhancing the mind-body connection.
- Helped clients in crisis process their emotions and become emotionally regulated in order to maintain safety for all residents and staff.
- Received training in Traumatic Crisis Intervention, Brain-Based Treatment of Trauma, and Occupational Therapy Interventions.
