Additional Information	<p>Marsha Asti Interim Associate Director of Special Education (501) 682-4221</p> <p>Comment: Arkansas no longer has a Deaf Ed. Program, Little Rock has a small interpreting program. There have been many staff changes, reductions, and retirements. They do participate in the Interpreting Tech program with Bern Jones; provide the EIPA to interpreters in schools, and co-sponsor workshops with RID, etc. The state "recognizes EIPA 3.0 or QAST III."</p>
