

# University of Northern Colorado

## Early Childhood Special Education Master's Degree

### Scholarships Available- Get Most of Your Tuition Paid For!

If you live in a rural or mountainous region, you may be eligible to have over 85 percent of your tuition and fees paid for through a U.S. Department of Education grant.

The scholarship is available to students accepted into the Early Childhood Special Education MA program.

You can earn your MA through the fully online program, or the hybrid program (weekend classes in Denver and online).

Rural and mountainous regions are in great need of well-qualified EC/ECSE professionals, so the grant is paid back by just working in one of these high need areas.

For more information on the program and admission requirements, please go to our webpage at:
