

# National Field Experience Conference

## Proposal Submission

### Proposal Submission Deadline – February 1, 2023

Proposals are peer reviewed and notification of acceptance will be provided by February 15, 2023.

The Conference Committee invites proposals for sessions that discuss effective teaching strategies, methodology, cross-curricular instruction, student engagement, field experiences for teacher candidates, reports on research, and/or conceptual analyses of various topics.

#### PRESENTATION FORMATS

**Individual/Panel Sessions:** Presenters are assigned a 30-minute slot; we suggest a TED Talk format for the first 20 minutes of the presentation and 10 minutes for Q&A.

**Teacher Workshop:** Teacher workshops are typically “how to” sessions providing “hands-on” opportunities. Teacher workshops are 30 minutes in length, but can be double-sessions, if requested.

**Roundtable Discussion:** Presenters are assigned a 30-minute slot. As Roundtables are typically focusing on research in progress, the first 15-20 minutes will be a presentation, with the remainder of the slot used for interaction and discussion with the attendees.

#### TECHNOLOGY & FACILITIES

The Conference provides presentation rooms equipped with wireless Internet, LCD Projector, video screen, and audio speakers. **Presenters agree to bring their presentations on their laptop and will use the technology provided.**
