# Reflection on the Open House & Campaign Party

On September 9th, 2015 the Women's Resource Center invited students, staff, and faculty to the annual Open House and second annual *I Need Feminism Because...* Campaign Party. Guests enjoyed food, drinks, and music as well as various activities exploring our center's history, Women's History, and contemporary Women's and Gender issues. A photo booth and other opportunities for students to voice why they need feminism were available to guests of the open house. The WRC is thankful for the support of our campus community to make this event relaxed, reflective, fun, and interactive!
