

University of Northern Colorado
College of Osteopathic Medicine

Policy: Students Involved in Off-Campus Research

Responsible Party: Associate Dean, Preclinical Education (transitions to Assistant Dean of Research)

COCA Standard: 8.4

Review Frequency: Annually and as needed.

UNC COM students are encouraged to participate in research and may at times participate in clinical trials and other research activities which occur outside of the UNC campus. Prior to participating in such projects, students are required to read and attest to their understanding of the UNC Office of Research and Sponsored Programs. policy: *Safe and Inclusive Working Environments for Off-Campus or Off-Site Research*, available at <https://www.unco.edu/research/pdf/compliance/safe-inclusive-off-site.pdf>
