COLORADO

Governor Jared Polis

September 15, 2023

To my fellow state employees:

I want to thank you for the work you do every day to make our state a better place. Your efforts are making our communities safer, keeping our roads open, supporting Colorado students, strengthening our healthcare system, helping Coloradans connect with the services they need and so much more.

But beyond all of this, we as state employees have an opportunity to give back through the Colorado Combined Campaign (CCC).

The CCC makes it easy and affordable to contribute to more than 400 Colorado nonprofits that support everything from education and healthcare, to the environment, civil rights, animal welfare, and many other important causes.

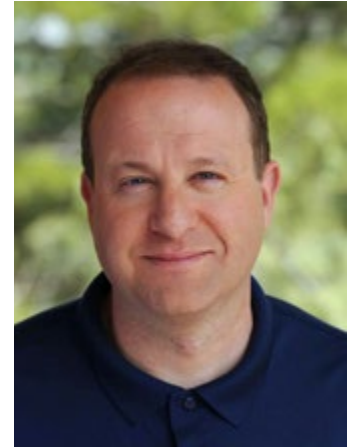

Fellow state employees oversee the program, ensuring the highest level of integrity, and your donations can automatically come right out of your paycheck in whatever amount you choose.

The CCC is available to all state employees, in every corner of Colorado. Look for your department, agency, college or university's campaign this fall, or make your pledge online.

Together, we can have a real impact on the issues that matter most to us, and make Colorado an even better place to live, work, and raise a family.

Sincerely yours,

Governor Jared Polis

“ The CCC provides all state employees the benefit of supporting their favorite causes and charities. It’s convenient to participate with a single pledge that lasts all year. Please join me in supporting Colorado charities and their important work. Help power a bright future, and let’s continue to build a Colorado for All.” ”

Introducing ElevateGive!

What is ElevateGive?

ElevateGive is your new Employee Giving Platform. It is the website where you can donate to your favorite CCC charities. Go to www.elevategive.org/ccc.

Why are we switching from iPledge to ElevateGive?

This new and improved platform offers you a modern and user-friendly giving experience. The developers of iPledge, a 10-year-old system, are no longer supporting or updating iPledge. Our employee giving administrator, Community Shares of Colorado, developed a custom-tailored tool, ElevateGive, as a replacement. It's a vast improvement for CCC donors, volunteers, staff, and charities!

Three Steps to Give

1. Go to www.elevategive.org/ccc. If you donated in 2022, click Login, click Reset Password, and enter the email you used last year. Otherwise, click Register and confirm your account.
2. Choose the recipient(s) you'd like to donate to and enter the dollar amount you'd like to donate per contribution. For example, if you'd like to give \$10 per paycheck to one organization, enter \$10 for that organization.
3. Open the giving cart and finalize your pledge. Choose if you'd like your donation to be one-time or recurring, then choose if you'd like to donate via payroll or credit/debit card. Most state employees choose to make a recurring donation via payroll.

The graphic features a yellow background with the title "Three Steps to Give" in large blue font at the top. Below the title are three computer monitors, each displaying a different step of the process. Underneath each monitor is a numbered circle (1, 2, or 3) followed by a description of the step. At the bottom of the graphic is the website URL "www.elevategive.org/ccc" in white text.

About the CCC

What is the Colorado Combined Campaign?

The Colorado Combined Campaign is your employee giving benefit. It empowers you to make a positive impact on your community and fosters a sense of connection with colleagues and the charities you support. The CCC was established in 1987 to create an easy, affordable and convenient way for State of Colorado employees to give to our local communities. Since then, state employees have raised nearly \$40 million for 400+ Colorado charities through the CCC.

Who can participate?

The CCC is open to all state employees, and enables you to donate directly from your paycheck if desired. Thousands of employees from nearly 60 state departments, agencies, state colleges and universities participate each year.

Who can I give to?

You can choose from nearly 400 Colorado charities representing 20+ different causes across the state. You have the option to give to groups of nonprofits through Region Funds, Cause Funds, and Federation Funds, or donate directly to one of the 364 individual nonprofits. The CCC state employee Advisory Committee and the CCC's administrators, Community Shares of Colorado, complete a rigorous vetting process of all the charities to ensure your funds are used effectively.

How do I give?

To participate, register on the new giving website at www.elevategive.org/ccc. From there, you can select the nonprofit(s) you wish to support and choose your preferred payment type (one-time or recurring) and payment method (payroll or credit/debit card). Over 80% of State of Colorado employees choose to give a recurring donation through payroll. The CCC encourages employees to donate at their own pace, with the average contribution amounting to approximately \$1 per workday (or choosing a recurring donation of \$22/paycheck). This thoughtful approach ensures that even modest donations can amass into a substantial force for good.

Why should I give?

By supporting the CCC and giving to local nonprofits, you directly contribute to creating a positive impact on our communities. With a diverse selection of nonprofits to choose from, you're likely to find a cause that resonates with you personally and aligns with your values. It offers a sense of purpose and satisfaction because through your donation, you're living your values, with the help of an established and trustworthy giving program. Join in and do something good for others while also doing something good for yourself!

How can I use this guide?

Use this as a quick guide to learn more about the CCC and see which causes and nonprofits you're most interested in contributing to online. This guide is a snapshot of the regional funds, cause funds, federations, and individual nonprofits you can donate to at www.elevategive.org/ccc. Alternatively, you can fill out the paper form on the back of this guide and give it to your Lead Coordinator.
