A MESSAGE FROM THE PRESIDENT

Dear Graduates of the Class of 2021,

Congratulations! Your hard work and determination have paid off. You are officially a graduate of the University of Northern Colorado, joining a robust and proud network of Bear alumni from across the country and around the world. Earning a college degree is a milestone that deserves to be celebrated and I am so thankful that we are able to honor and recognize your tremendous accomplishments today.

Our students are at the heart of everything we do at UNC. It is our mission to provide an exceptional education while fostering an engaging environment for individuals to pursue their interests, expand their horizons, and create authentic experiences for growth. There is no greater joy than seeing our students succeed inside and outside of the classroom, and in their lives after graduating. Commencement truly is one of my favorite days of the year because it represents the culmination of years of hard work—the effort you put in and the contributions of family, faculty, staff, and friends—coming to a crescendo in one special moment. Whether or not this is the end of your formal schooling, I hope you will be a lifelong learner. Leverage the knowledge you have gained, the relationships you have built, and the experiences you have had to thrive wherever you may go. No matter where your journey takes you as you leave your Alma Mater, know that you have the capacity to create positive change and have a significant impact in your community and around the world.

I cannot close without acknowledging the circumstances of your final year at UNC. Completing your degree during a pandemic will certainly be something you will never forget. Each of you has faced this adversity head-on. The grit and resilience you have shown in the last year cannot be understated. COVID-19 may have turned our lives upside down, but today you stand together right-side up, as graduates of UNC who share a sense of pride in everything you accomplished in spite of these challenging times.

The Class of 2021 will always be remembered in our university's history. Words cannot express how proud I am of you and how excited I am to see you advance in your respective fields and professions. Best wishes in your future endeavors and remember – Once a Bear, Always a Bear.

Graduate Student Speaker

Emily O'Neill

Master of Science, Dietetics with Internship

Emily O'Neill, a Colorado native, calls Colorado Springs, Colorado her hometown. She received her bachelor's degree in Nutritional Sciences with an option in Dietetics in 2016 from Oklahoma State University where she was a 3rd generation Cowboy. O'Neill married her high school sweetheart Johnny O'Neill shortly after earning her undergraduate degree and has two dogs that add so much light to her life. O'Neill believes wholeheartedly in the importance of public service and spent the last two and half years working for El Paso County's Women, Infants & Children office as a WIC

Educator, providing nutrition education and support to families in her community. Her passions continued with advancing her qualifications into becoming a Certified Lactation Counselor to further aid in supporting mothers in need. With her husband's unending support, many countless hours of studying and continued encouragement from family, UNC faculty and friends she will be graduating with a master's degree in Dietetics after completing the 3-year Master of Science in Dietetics with Internship program. O'Neill plans to continue to serve the community of Colorado by becoming a registered dietitian and hopes to foster and promote healthy lifestyles, while supporting intuitive and evidence-based approaches to nutrition and wellness.

Undergraduate Student Speaker

Daisy A. Solis

Bachelor of Science, Human Services

Daisy Solis is a first-generation, first-citizen LatinX woman that is not only an advocate for her family but for her community as well. Her roots are a constant reminder to fall in love with the opportunities and resources that her parents were unable to have in Mexico. As the only girl and the youngest in her family she has always sought guidance from her older brothers, thus helping her reach for the stars. Solis's time at the University of Northern Colorado has been radiant and joyous, always having a smile on her face while demonstrating grace and love to her peers. Her involvement

on campus includes being a Reisher Scholar, a Student Ambassador for the Office of Admissions, an Orientation Leader and a Senior Orientation Leader for the Office of New Student Orientation, a volunteer and ally for the César Chávez Cultural Center, a dancer and actress for Operation Cheesecake, and lastly, a proud sister of Lambda Theta Alpha Latin Sorority, Incorporated.

Graduate Student Speaker

Oluwatobi Oluseyi Ogunmodede

Master of Arts, Criminology & Criminal Justice

Oluwatobi Oluseyi Ogunmodede is a Colorado native born in Aurora and raised in Castle Pines, Colorado. A proud daughter of Nigerian immigrants, Ogunmodede has been a student at the University of Northern Colorado since 2015, where she received her B.A. in Criminology and Criminal Justice with a minor in Africana Studies. Ogunmodede has made a profound presence on the university campus as a student rights advocate for marginalized identities at UNC. Since the start of her time as a student, she has also made an active presence at the Marcus Garvey Cultural Center as a student

employee in positions such as the Special Projects Coordinator and the Strategic Initiatives Graduate Assistant. She has also been an active member of affiliated clubs that include African Students United, Black Student Union, and Black Women of Today. Since the start of her graduate program, Ogunmodede has assumed the role of Graduate Assistant running the Bear Pantry, a collaborative initiative on campus that aims to combat food insecurity among college students on campus.
