Estimates of additional costs: For the purposes of determining financial aid, UNC follows Colorado Department of Higher Education (CDHE) and federal guidelines to develop an estimated, average Cost of Attendance (budget) for different student classifications. For your personal tuition estimates, we recommend using the program-specific tuition information above. UNC's official Cost of Attendance/[Student Budgets page \(/financial-aid/how-aid-works/student-budgets.aspx\)](https://www.unco.edu/financial-aid/how-aid-works/student-budgets.aspx) can help you identify other estimated expenses for which you may be responsible while completing your program.
