

Facilities Management – Planning & Construction

MEMORANDUM

TO: RFQ Respondents

FROM: UNC Planning & Construction

DATE: 9/30/2025

RE: UNC-RFQ-26-01 Renovate Variable Flow Chilled Water Systems Michener
Candelaria Phase 1 of 2 - ADDENDUM #1

ADDENDUM #1

- We did not receive any questions that were specifically related to the RFQ process, as a reminder, the Request for Qualifications process is a focus on the participating firms' qualifications only as outlined in the RFQ document, please be sure to focus on this for your submittals.
- We will have a new Project Manager take over for the remainder of the RFQ process, the new UNC Project Manager working with you going forward is Chris Bowers. Chris Bowers is our Energy & Sustainability Manager but used to be a part of our Project Manager team and will be great point person for this process. Here is his contact information for you:

Chris Bowers
Phone: 970-351-2725
Email: Christopher.Bowers@unco.edu

END OF ADDENDUM #1
