

# SENATE ACTION FORM

No. 1149

Subject: Distribution of Faculty Survey Results-Amendment to Senate Action 1146

Reference to Senate Minutes dated: February 12, 2018

Senate Action:

MOTION: In regards to the motion from the January 29, 2018 Senate meeting: "The Faculty Senate should be provided the results of the faculty survey regarding the recent transition in the Provost Office", I move that the President forward only the numerical scores from the faculty survey regarding the recent transition in the Provost Office: Schuttler.

RATIONALE: The comments were completed with an expectation that only the president would read them, and revealing them to the Senate compromises that expectation. At this point, obtaining the comments serves no positive purpose.

SECOND: Blatt.

VOTE: The motion passed by voice vote.

Response requested:

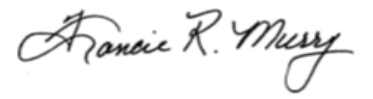

         Approval for placement in University Catalog

         Approval for placement in University Regulations

         Recommendation to Board for placement in Board Policy Manual

         None (sent as information item)

  X   Other action requested/comments: The Faculty Senate Chair will communicate with President Norton regarding the numerical results.
