Greek Educations

- **On Thursday, November 19 at 6:00 p.m.**, we are hosting a **mental health & self-care greek education** presented by UNC's Psychologic Services Clinic. See below for the Zoom link and note there is a passcode for this presentation. There will be a google form sign-in at the end of the presentation.
- **On Wednesday, December 2 (time is TBD)**, the Take Back The Night Planning Committee is offering a follow-up program from the Healthy Intimate and Sexual Relationships Panel that took place at the end of October. **This webinar style panel will focus on sexual health.** If you attend, it can be counted toward a greek education. More information will be sent out regarding this panel.
- As a reminder, like the previous greek educations, these upcoming presentations are not mandatory; however, we ask that chapters work to obtain at least 80% of the membership in attendance at two educational events per semester (as mentioned in the chapter recognition agreement and greek awards). For all greek educations, you must stay until the end.
