 - 1. I really need for all the Panhellenic Delegates to send out the surveys to their chapters again to make sure everyone is getting those done before May 23rd! They are anonymous and just for you

It's been a hard adjustment, but we are looking forward to being back together next semester and participating in everyone's events! Have a great week and rest of the semester and stay safe!!

- Alpha Phi:

Hi everyone! I hope everyone is staying safe and healthy in quarantine! We have a Zoom meeting setup for Tuesday to honor our seniors with their flower dedication! We are all very excited to see our sisters and be together once again, even if it's virtual. We also have other meetings setup just to keep up with each other. We can't wait until we are reunited with everyone once again! Hope everyone has a great week!

- Delta Zeta:

In Delta Zeta, we are staying connected by writing each other letters! We are writing anonymous letters to one of the girls from our chapter just to fill them up with love and tell them how much we miss them! We are also having our Big Little reveal this Thursday on Zoom and we are so excited!! We are having Netflix movie parties with one another until we can all be together again. I hope you are all doing well, stay safe!

- Sigma Kappa:

Hello everyone, I hope all of you are doing well. Not too much to update you on regarding happenings within our chapter. We are still holding all of our meetings over Zoom, and we are working on plans for the fall semester. We would love to know what your chapters are doing regarding alumni since being quarantined, just wanted to get some new ideas! Thank you so much, and remember to live with heart :)
