d. Chapter Reports:

- Alpha Omicron Pi:
We have been having weekly meetings for our officers and biweekly chapter meetings to keep our sisters connected.
-Our sister Baylee Weed has been sewing masks for employees that are still going to work. We are so proud of her for her dedication!
-Our sister Emma Kurtz has also been sewing masks and writing letters to the elderly in nursing homes that don't get much socialization because of social distancing. We are so proud of her for the difference that she is making!
-I hope everyone is staying healthy!
- Alpha Sigma Alpha:
Hi everyone! We hope everyone is doing well, these past few weeks we have been focusing on trying to stay connected with our sisters. We have officially finished our first round of sister pen pals and can't wait to write our letters to our new pair! We also started a TikTok it's [asasrat_house](#) so be sure to check it out and see what we've been working on! Have a great week and stay safe!!
- Alpha Phi:
Hi everyone! I hope everyone is staying safe and healthy and are adapting well to online classes! Our executive board is working extra hard to find new ways to stay connected with our sisters and are trying to do virtual sisterhoods! We are all still working hard to prepare for next semester's recruitment. We just can't wait to be reunited with everyone! I hope everyone has an amazing week!
- Delta Zeta:
Hi everyone! I miss you all and hope you and your loved ones are well! In Delta Zeta, we are staying connected through Zoom bible studies, Zoom and Facetime study dates, and are having our Chapter meeting via Zoom. We had a Netflix movie party last night with our New members and our wonderful sisters. Stay safe!

- **Sigma Kappa:**
Although there is not much happening in the way of social interaction as we all know, Sigma Kappa is holding a zoom meeting for our chapter to meet and catch up every Monday evening. We are continuing to send girls to positive standards as well as reach out to each individual throughout the remainder of this semester. We are getting a sisterhood approved for this summer which is dedicated to our seniors. Other than that, not much else is happening. Keep staying safe and hope you all are doing well.
