2. Either today or tomorrow you delegates will be receiving an email with anonymous survey link that I would like for everyone, even graduating members and women on status, to fill out for feedback about future Greek Trainings.

d. Chapter Reports:

- Alpha Omicron Pi:

Our sisters have been enjoying Spring Break by staying healthy and social distancing!

We are working on having FaceTime sessions so we can all keep in touch. I hope everyone had a fun and healthy break!

- Alpha Sigma Alpha:

Hi everyone! We hope you all had a fun and safe spring break, our sisters are so sad that we had to leave each other so soon this semester. However, with this unfortunate situation we are planning to make the best of it by implementing many ways for our sisters to stay in touch! We have started a Beta Beta Book Club, Pen pals, and we are even continuing our sister pairs just moving it to facetime/phone call check ins. We can't wait to see all the fun ideas you have to continue to keep in touch with each other the rest of the semester!

- Alpha Phi:

Hi everyone! I hope everyone is staying healthy and as stress free as possible with everything going on. We are sad to see our sisters pack up and go home and we are eagerly waiting to see them again! We hope everyone has an easy transition to online classes and we can't wait to see everyone again!

- Delta Zeta:

Thank you all for going to hot dogs for hearing before spring break! Stay safe everyone.

- **Sigma Kappa:**

Hey everyone, Sigma Kappa is currently figuring out ways to adapt to this pandemic and we will keep you posted on anything we think of that could be beneficial for your chapter during this time. Until then, stay safe, wash your hands, and keep the Greek love rollin!

- **Sigma Lambda Gamma:**
