      1. I spent the weekend reviewing all of your chapters Safety and Success plan this weekend and wanted to say you guys blew me out of the water. They were so amazing, and I can really see all the effort that was put into the plans. Today Logan and I meet with Lacey and Evan and we all agreed that due to your amazing effort we are now allowing dry sisterhood and dry brotherhoods this semester as well as IFC recruitment. Thank you guys so much. Normal rules still apply with turning forms in. I sent out an email to chapter president with this information and Lacey will send an email about it in more detail sometime this week. Great job guys.

- Sigma Kappa:
    1. Hello everyone! We had our Sig Kap N Cheese Philanthropy event last Wednesday and it went amazing, thank you all for your participation!
    2. At the last Panhellenic meeting, I mentioned Sigma Smiles would be up and running and an update on that, it has been a success thus far. For those who don't know, it is a way for Sigma Kappa to show our love for our Greek brothers and sisters by giving them notes of support and love. I encourage every chapter to take up this idea with your own sisters because it is a great way to come together in Greek unity.
    3. That is all this week, happy Monday and good luck on midterms!
  - Sigma Lambda Gamma:
    1. Hello everybody, we wanted to thank everyone who was able to join us last Friday at the MGC Showcase held by the Cesar Chavez Cultural Center.

All funds will be placed/donate to a college fund for a FC Soccer player here in Greeley. We have a goal amount of \$300, so please come and join us! Thank you!

**VII. Old Business:** None

**VIII. New Business:**

- a. What resources do you think UNC and/or FSL needs/what support do you need? What do you want to see from UNC and/or FSL?
  - Having a suggestion box would be a good way to get chapters inputs.
  - Also maybe having the board of directors and UNC administrators to come to our meetings and to our philanthropy events, so that we can have more involvement.
  - We also talked about transparency with the administration.
  - Also, moving forward having more educational Greek trainings that cover different issues surrounding our campus would be beneficial.
