People do not need to register, and we will send more information including the Zoom link as it gets closer (link is also below – note there is a passcode for this program). Like the previous greek educations, it is not mandatory; however, we ask that chapters work to obtain at least 80% of the membership in attendance at two educational events per semester (as mentioned in the chapter recognition agreement and greek awards).
 - There will be a google form sign-in at the end of the presentation.
 - A follow-up program from the Healthy Intimate and Sexual Relationships Panel will take Wednesday, December 2. This webinar style panel will focus on sexual health. More information to come!
