- Halloween**
  - As we all know, Halloween is coming up this week. PLEASE be aware that Covid-19 is STILL A THING!! That means, guidelines still apply.
    - Colorado just updated their gathering guidelines: the new order limits personal gatherings to 10 people, and groups can't have people from more than two households.
    - Wear a mask at all times when you are with others

- Remain socially distant
- Be safe and wise! You all have been doing a great job with keep covid-19 numbers and spreading low, please continue to do this over the Halloween weekend. Trust me, a party is not worth it.
- Students who do not follow state, local, and University Covid-19 guidelines are subject to disciplinary action under the Student Code of Conduct, including but not limited to suspension from the University for a period of a semester or longer or permanent expulsion from the University.

### **Reminders**

- Send me or Lacey your updated roster (if you haven't already and if/when you have new members)
- New Members also need to sign & submit an COB Acceptance Form
- We have a new anti-hazing and grade report form that all members must submit (New Members need to do this with 48 hours of accepting their bid)
  - <https://onbase.unco.edu/GreekLife/FraternityAndSororityLifeMembership>
- Remember on-campus and off-campus events need to be approved by the University. They need at least 4 weeks notice to approve events – you can start submitting requests for spring (I think they will accept everything besides weekly chapter meetings)
  - If it can be virtual, it should be
  - Groups of 10 or less are best
  - Masks need to be worn and social distancing needs to be practiced regardless of the number of people and if it's indoor/outdoor
  - I still need FSL event registration forms

### **Elections**

- Panhellenic Exec Board Application Packet is on the website under forms & resources tab and Panhellenic drop-down menu.
- Elections will take place on November 9 during meeting – applications are due to me via email on/before November 6 at 3:00 p.m.

Hi! I hope everyone's week is off to a good start.

We are so excited to initiate our new members tonight! They are all so wonderful and we have all made such great connections to them so far.

Shoutout to our sister Baylee Weed for bringing all the chapters a cute little box of goodies! It was such a nice gesture and warmed up our snow day!

I hope you all have a great week

- Alpha Sigma Alpha:

Hi Everyone!

- Thank you for all of your support during our philanthropy week! We really enjoyed seeing all of you at our socially distance events and we hope you had as much fun as we did!
- We are so excited for our new members who got to find out who their Big's were this past week. Big shout out to our VP of Membership Education Makayla for organizing a successful Big little week and Reveal!
- We also got to get together in small groups and go to the pumpkin patch this past Saturday and had tons of fun taking pictures and picking pumpkins! Although we couldn't be all together, we still enjoyed going at our separate times.
- This week is going to be so much fun with the start of our dedication days and ending with sanctuary on Friday for our new members!

- Alpha Phi:

Hi everyone! This past week was our initiation week for our new members. We were excited to make them officially actives while doing it safely and socially distanced! Also, last Thursday, we had a socially distanced big/little reveal! We had so much fun welcoming our littles into their new families! We hope everyone is staying safe and healthy and warm!! Have an amazing week everyone!

- Delta Zeta:

Hi everyone! I hope you're staying warm and dry. In Delta Zeta over the weekend, we had initiation with our new members. Although we were all apart, it was still so special and were so excited to welcome these wonderful women as initiated women into our sorority. On Thursday night we had a Netflix party and watched Holes. It was so fun! Have a great week!

- Sigma Kappa:

Hello everyone! Initiation week was last week and it was a blast and a half. We are so excited to announce that our new members are now officially active members! Initiation was originally going to be held in person, however it was deemed safest to move to online initiation. So a big welcome to our new active members!

With the goings on of Covid-19 Sigma Kappa is working on a Greek wide virtual Halloween sisterhood! The zoom will be open and active from 10am-midnight October 31st to make cookies, show off your spooky Halloween costumes, listen to Halloween music, and grow as a Greek community. We will be dropping off mason jars filled with some cookie ingredients and cookie recipes attached this Wednesday evening, October 28th (wearing masks of course) The zoom info will also be attached to the mason jar as well. Whether or not you attend the zoom on Halloween, we encourage you to participate in our Halloween cookie competition. The competition will last from October 29th-October 31st at midnight. The goal of this competition is to bake your favorite Halloween themed cookies and post them on your social media and tag BOTH Panhellenic

and Sigma Kappa. The cookie picture and description of what you decided to put in the cookies, that is tagged the most will be receiving \$30 towards that chapter's philanthropy! Winner of the Halloween cookie competition will be announced on the Sigma Kappa Instagram page Nov 1st. We cannot wait and hope that you will take part in this event! If you have any questions regarding this event, please reach out to myself (Morgan Wall) at 408-656-9493 or my sister Lily Brynteson at (970-373-9795)!

We hope you all will stay safe and warm! Have a wonderful week and hope to see you at the sisterhood event and Happy Halloween!
