 - Homecoming is officially the week of October 4-9. There is a mandatory captains meeting either tomorrow at 2-2:30 or Wednesday, whichever day works best for your representative and I've reached out to all presidents and homecoming chairs, so they are already aware. Be sure that your organizations are signing up!!
 - I also added more to the academic scholar of the month, so we can recognize more women. We have academic scholar of the month, hardest working/goal achiever, and academic leader/support system. - Alpha Omicron Pi:

Hi everyone!

- We had a great socially distanced big/little reveal. We are so excited to have so many amazing new members be a part of our chapter.
- We have a fun sisterhood planned for tomorrow evening where we are playing get to know you Kahoot's with each other.
- We hope that our sisters in Sigma Kappa are safe and recovering! We are thinking of you and sending you all some Panhellenic love.
- I hope everyone continues to stay safe and healthy. Have a good week!

- Alpha Sigma Alpha:

Hi Everyone!

- Last week some of our sisters got the opportunity to make bracelets for girls on the run and had an amazing time bonding both virtually and in person, and we can't wait for this week's philanthropy Friday event!
- We have been enjoying getting to know our new members and being able to see them virtually at our New member Educations on Sunday nights!
- Next week will be the start of our dedication days and we are ready to focus on our value of generosity and be able to give back to our community.
- We are so excited to attend Delta Zeta's Chipotle fundraiser tomorrow!

- Alpha Phi:

Hi everyone! We have been so happy welcoming in our new members and showing them what Alpha Phi is all about! Yesterday, we enjoy a sisterhood with the in-house girls! We just had a little bbq but it was just

so much fun being able to catch up! We hope you all are staying safe and healthy and have an amazing week!

- **Delta Zeta:**

Hi everyone! In Delta Zeta last week we had the opportunity to watch an amazing video for National Anti Hazing week! I'm so proud to be apart of Panhellenic Greek life and be in an organization that is actively against hazing. Some really exciting news this week is tomorrow we have a Philanthropy event at Chipotle! You can go and eat there, or do a pick up order. The mobile order code is listed on the flyer as well, but it's LQVD83F. Key things: the mobile order code only works for pickup and will not work through any apps/websites other than the official Chipotle app/website. Also, this fundraiser is only valid at the Chipotle location on campus by Frasier Hall/Blue Mug. If you can go, please do! Make sure to follow CDC guidelines (groups of smaller than 10, mask wearing, etc) Have a great week ladies!

- **Sigma Kappa:**

Hello and happy Monday! We are especially excited for Delta Zeta's Philanthropy night at Chipotle tomorrow! We are also enjoying getting to know each of our new members through heart sister dates each week. Last Monday we had a Positive Self-Talk program led by our sister Bailey Walder and we want to encourage everyone to learn and practice positive self-talk! Have a great week everyone!
