      2. UNC is strongly encouraging all of the campus community to be tested for COVID-19 upon returning to campus and continue regularly testing each month. The Curative Kiosk at Nottingham Field is open Monday – Saturday from 9:00 a.m. to 6:00 p.m. It is free and is a saliva-based test rather than a nasal test. Walk-up testing is possible, but appointments through this link are recommended. Having this testing site on campus is a convenient benefit, so I hope you all will take advantage of it. The Curative Kiosk at Nottingham Field is not your only option for testing. To find more testing sites in Weld County, visit this webpage.
