

Office of Student Life

Fraternity & Sorority Life

September 1, 2022

Dear Prospective Member of the UNC Fraternity & Sorority Community!

We are excited that you have identified interest in learning more about our Fraternity & Sorority Community and participating in Fall Recruitment. Our hope is that you are able to develop a strong understanding of our Fraternity & Sorority Core Values and meet some amazing fellow Bears through the process!

While each individual organization has their own set of values, it is important for us to share with you our shared Fraternity & Sorority Life Core Values of Integrity, Leadership, Service, Personal Growth, Scholarship, and Unity. These values are areas where we strive to grow, develop and pick ourselves back up if and when we fall short.

We are excited that each of our recognized organizations will be selecting new members this fall and the Office of Fraternity & Sorority Life is here to support you in your exploration of our Fraternity & Sorority Community.

Additionally, it is important for us to share with you that the UNC chapters of the Delta Chi Fraternity and Sigma Lambda Beta International Fraternity, Inc. have recently been suspended by UNC and have lost their recognition as Registered Student Organizations and as recognized UNC Fraternities. While the Delta Chi Fraternity has been suspended by UNC, they continue to operate as a non-UNC, independent organization.

Although the UNC is unable to legally prevent students from joining or continuing active involvement with a Fraternity or Sorority that has been suspended by the University, students are strongly discouraged from doing so and should be aware of risks they may be taking through continued involvement. UNC students who are considering joining or maintaining membership in suspended or unrecognized organizations should investigate the organization, the circumstances surrounding the suspension or loss of recognition, and make an informed decision about whether the organization creates an unsafe environment.

For a complete list of recognized members of our Fraternity & Sorority Community, please visit:

<https://www.unco.edu/fraternity-sorority/organizations/>

If we can ever be of support to you in your time as a member of our Fraternity & Sorority Community, or just in your time at UNC, please do not hesitate to reach out. Enjoy recruitment and Go Bears!

Sincerely,

Evan C. Welch
Executive Director
Office of Student Life

Patricia Hartley
Assistant Director, Office of Student Life
Fraternity & Sorority Life
