

IMPACT UNC

Summer 2019 | UNIVERSITY OF NORTHERN COLORADO

The *Campaign* for UNC

Setting the Stage for the Future

The President's Perspective

It is both humbling and energizing to reflect on what we accomplished together over the past year. I am incredibly grateful for your support during my first year as UNC's president.

For well over a century, alumni and friends have been generously stepping forward to help UNC meet evolving needs of our students and state, and you are sustaining that remarkable legacy of giving.

Together, we shattered the \$45 million goal for the university's first ever comprehensive campaign, raising **\$54.2 million** for student scholarships, faculty, research, programs and the Campus Commons. With your incredible support, we will continue providing high-quality education for our students and fulfill the dreams that this community boldly envisioned in 1889.

The Campaign for UNC would not have been possible without your generosity and guidance. Because of you, it will be remembered as a catalyst for unprecedented progress at UNC.

We look ahead to both opportunities and challenges with a renewed sense of purpose and optimism. Thank you for setting the stage for UNC's next era of excellence.

Andy Feinstein
President

As UNC's Vice President for University Advancement, I Get to Say “*Thank You*” Every Day

I say thank you to the donors who generously funded UNC through our first ever comprehensive campaign. Thank you to the alumni volunteers who return to campus to help our students explore and launch their post-college careers. Thank you to the faculty who devote their expertise toward our students' passions for knowledge and preparation for careers. Thank you to our staff who dedicate their time in support of our mission. And thank you to our community leaders for their unwavering dedication and advocacy.

Recently we had a chance to celebrate our wonderful, supportive community of donors, alumni and friends. An opportunity to share with you what we love about UNC and to show our gratitude for your role in making it all a success. Working together under the steady guidance and bold direction of President Feinstein, we are rowing toward a brighter future.

I know that the future is bright because individuals like you support our mission and believe in our students.

When we began the *Campaign for UNC* in 2015, we asked you, our donors and our community to dream big with us. To imagine a future that included a stage worthy of our students' talents. To imagine the lives that you could change when you created an educational scholarship. To imagine better community service and impact through research and faculty funding. And to imagine a university campus filled with opportunity for every student — no matter their background or passion in life.

You dreamed big. You dreamed really big, and each one of those dreams translates into support for our students. It is through our partnership together, that we launched and completed our campaign, and it is together that we will continue moving forward.

Allie Steg Haskett '03
Vice President for University Advancement

A Night to Remember

April 12, 2019. A magical evening of music, dinner and comradery among the incredible donor community that makes the University of Northern Colorado such a special place. Thank you for your commitment to advancing UNC and helping us celebrate the successful completion of our first ever comprehensive campaign.

"The success of the recent campaign and the opening of the new Campus Commons are important additions to the university and to the Greeley community. It's outstanding progress!"

—Norm and Bonnie Dean

"The entire evening from dinner to performance was a wonderful capstone to the campaign. I, along with my husband, enjoyed the evening immensely."

—Deborah Phelps-Touslee '89

"I really enjoyed the celebration. I had the opportunity to meet a lot of interesting alumni and some UNC faculty, and we had some great conversations. One alumnus even gave me great life advice. I was equally excited about the performance hall. As a music major I was disappointed that UNC never had a high-quality performance space, but now that we do, I'm grateful to all the donors who helped make it possible."

—Nicole Louis '19

➤ For a full list of the *Campaign for UNC Honor Roll*, visit unco.edu/give/impact/campaign-honor-roll.aspx.

UNC Galleries is working with Boston-based artists Andrew Bablo and Helen Popinchalk on a full gallery restoration of a long-lost atomic era soda fountain from Nevada called “Yucca Fountain.” Save the date for the opening reception on September 19th as they bring the Fountain back to life inside the Campus Commons Gallery and make it fully functioning again based on drawings, documents, furniture and relics saved from the original structure.

Join Us

Interested in learning more about how you can get involved in our amazing community of donors?

We have a number of exciting events scheduled this fall and we would love to see you there!

Make plans to attend any one of our home football games or join us on the road as we travel to San Jose State and Washington State to kick off the football season. You can also visit campus and share your Bear pride during Homecoming the weekend of October 19th.

If you are unable to participate in any of our upcoming events, but would like to be invited to a future event or arrange a campus visit, please contact donor.relations@unco.edu. We're happy to help!

➤ You can also find out more about ways to connect with our donor community at give.unco.edu
