Graduate Program Change Form

Save this form to your desktop. Complete, sign and then email to your department(s) for signature(s). Form must be returned to grad.admissions@unco.edu for processing.

*If form is submitted before drop date, changes will take effect in the current term. If submitted after drop date, changes will take effect the next available term.**

- This form is for admitted students only and can be used to change degree level to a lower level, e.g., from doctorate to master's, master's to certificate. If you wish to move up a degree level, you must reapply to the Graduate School.
- The new program may request additional materials, e.g., new statement of goals, prior to making its decision (these must be submitted to the program).
- Students denied admission to a new program will remain in the current program unless you request to close your file.

Time Limit Declaration

I wish to treat the change as a new program. The time limit for completion of the degree begins based on effective term (see information above*). Previous work will not be applicable to the new program.

I do **not** wish to treat the change as a new program. The time limit to complete the new program remains the term at which you initiated the program of study in your original program. Some or all of the previous work can be applied to the new program depending upon authorization by your program advisor and approval by the Graduate School.
