**Notes:**

The Master of Science in Athletic Training is accredited by the Commission on Accreditation of Athletic Training Education (CAATE), 6850 Austin Center Blvd., Suite 100, Austin, TX 78731 (844-462-2283). With successful completion of the Athletic Training M.S., the graduate is eligible to take the Board of Certification exam to become a Certified Athletic Trainer.

Potential applicants are required to submit an application to Athletic Training Centralized Application Services (ATCAS) in addition to submitting an application to the Graduate School at the University of Northern Colorado. Admission to the Graduate School does not guarantee admission into the Athletic Training graduate program.

Successful completion of a comprehensive exam is required to complete the Athletic Training M.S.
