NORTHERN COLORADO

Graduate Student Association

Advisor Agreement

Graduate Student's Name

Conference Name or Research Project

Advisor's Name

Department

Advisor's Email Address

I hereby acknowledge that the aforementioned graduate student (hereafter "advisee") is applying for University of Northern Colorado Graduate Student Association (GSA) grant funding and will be under my supervision and guidance throughout the process of GSA grant application, research, conference attendance, conference presentation, and/or appeal. I understand that the GSA grant application process is highly competitive and that inaccuracies, inadequacies, omissions, or formatting errors may result in the application being dismissed or receiving lower grant funding. As the GSA grant application process is an educative one, I will refrain from personally contacting the GSA on behalf of any students and will advise them to contact the GSA themselves with any questions, concerns, disputes, and/or suggestions. I understand that the GSA grant application process is guided by the UNC Student Code of Conduct and I will inform my advisee that they must adhere to the principles of academic integrity and honesty throughout the application, research, conference attendance, conference presentation, and/or appeal process.
