

Beth A. Longenecker, DO, MS, FACOEP, FACEP
Dean, Athens Campus
Ohio University Heritage College of Osteopathic Medicine
740-593-2251
longenecker@ohio.edu

Career Purpose: To cultivate the next generation of osteopathic physicians by shaping a learning environment that is supportive, creative, and values life-long learning and mentorship at all levels. Doing this will positively impact the wellbeing of the college and the community that we serve.

Administrative Appointments

Dean, Athens Campus

6/1/19-present

Ohio University Heritage College of Osteopathic Medicine (OUHCOM)

- Lead efforts to create a partnership between Buckeye Healthcare and OUHCOM that resulted in:
 - A \$750,000 grant to expand OUHCOM community nurse navigator programs focused on healthy pregnancy and infant vitality
 - 3 Project ECHO format educational seminars, with additional collaboration from the Weitzman Institute, to serve providers in our community
- Created a multidisciplinary team, deemed the CAREForce, to develop creative outreach and programming to sustain the sense of community and support inherent to HCOM culture during remote work and teaching caused by the COVID-19 the pandemic
 - At the request of faculty, staff and students these efforts are ongoing even as we resume in person activities
- Performed the initial analysis of operations that identified the need for expansion of our curricular assessment arm and reconfiguring of our structure
 - This lead to a collaboration between campus deans and HR to formally initiate a reorganization plan and create an office of medical education.
- Medical director Community Health Programs
 - Worked with students and staff to initiate a student run free clinic to serve uninsured patients in our community
 - Lead the team that created processes and protocols which enabled the Heritage Community Clinic to become a state designated COVID vaccination clinic
- Chief Operating and Academic Officer for campus
- Financial oversight of the campus
- Ensure adequate faculty (including percent effort) for campus
- Student advocacy, mentorship and teaching
- Philanthropy and institutional development for Southeastern Ohio
- Maintain compliance with COCA standards
- Build and maintain educational partnerships in Heritage's Athens campus region
- Enhance interaction with faculty, staff, students

Beth A. Longenecker, DO, MS, FACOEP, FACEP
Dean, Athens Campus
Ohio University Heritage College of Osteopathic Medicine
740-593-2251
longenecker@ohio.edu

- Signature authority on MSPEs (Dean's Letters), dismissals, etc.
- Work collaboratively with deans of other campuses on educational program and provide supervision for:
 - Office of Associate Dean, Admissions and Student Affairs
 - Office of Institutional Accreditation and Assessment
- Represent College in Executive Dean's absence.
- Partner with other Colleges within Ohio University to develop multidisciplinary research and educational opportunities

**Associate Dean, Clinical Education
Midwestern University**

8/3/15- 5/25/19

Chicago College of Osteopathic Medicine (CCOM)

- Oversight and mentoring of Clinical Chairs in the development of clinical curricula and their professional development
 - My mentorship helped others to achieve their professional goals, with one chair becoming campus dean at another institution, one becoming an Associate Dean of Clinical Education and a third becoming a Residency Program Director
- Directed the career counseling services for students considering specialty choice/residency placement, resulting in match rates that were consistently above national average
 - Counseling provided to more than 1000 students
- In collaboration with the clinical simulation team, established formal assessments of Entrustable Professional Activities that spanned 4 years of the curriculum.
- Accountable for the creation and revision of MSPE(Dean's Letter) for graduating students
- Academic counseling of students
- Oversight of the Department of Clinical Education
- Preparation and/or approval of budgets for multiple departments
- Oversight of CME development
- Oversight of faculty development programs/presentations
- Development, and oversight of implementation, of new curricular map
- Assisted in preparation for accreditation reviews
- Teaching responsibilities in Clinical Sciences curriculum

Beth A. Longenecker, DO, MS, FACOEP, FACEP
Dean, Athens Campus
Ohio University Heritage College of Osteopathic Medicine
740-593-2251
longenecker@ohio.edu

Associate Dean, Clinical Sciences

3/1/13—7/17/15

William Carey University

College of Osteopathic Medicine (WCUCOM)

- Created a systematic approach to the residency match process for the inaugural graduating class. The process included student counseling about specialty choices and faculty development about the match/ SOAP and scramble
 - Resulted in match and placement rates that exceed the national average
- Lead the team that developed the MSPE (Dean's Letter) for the inaugural graduating class in compliance with national norms, including development of superlatives
- Played a critical part in the team that developed processes, documents and assessment that lead to initial accreditation by the Commission on Osteopathic College Accreditation
- Development, evaluation, and management of clinical clerkship experiences
- Monitored student progress throughout OMS 3 and 4 curriculum
- Recruited preceptors, monitored performance, and provided faculty development
- Oversight of Department, Clinical Rotations
- Worked with Associate Deans and faculty to define the clinical curriculum
- Preparation of budget for Clinical Sciences
- Supervised the Director of Simulation in the development of simulation experiences
- Teaching responsibilities in clinical sciences curriculum and OMT lab
- Entrusted as Acting Dean 8/20/14-9/23/14

Acting Associate Dean, Clinical Sciences

11/27/12-3/1/13

William Carey University

College of Osteopathic Medicine

Director, Postdoctoral Development

8/1/12-4/1/13

William Carey University

College of Osteopathic Medicine

- Outreach, education, financial and document review to assist facilities in the development of graduate medical education
- Osteopathic Post-doctoral Training Institute representative for WCUCOM

Program Director, Emergency Medicine Residency

8/1/05-8/1/12

Mount Sinai Medical Center and the Miami Heart Institute

Miami Beach, FL

- Developed level/based competencies for the program

Beth A. Longenecker, DO, MS, FACOEP, FACEP
Dean, Athens Campus
Ohio University Heritage College of Osteopathic Medicine
740-593-2251
longenecker@ohio.edu

Program Director Emergency Medicine Residency 4/1/02 - 7/1/05
St. Barnabas Hospital
Bronx, NY

Assistant Program Director 9/1/01 - 3/31/02
Assistant Research Director
Emergency Medicine Residency
St. Barnabas Hospital
Bronx, NY

Academic Appointments

Clinical Associate Professor, Specialty Medicine 6/1/19-present
Ohio University Heritage College of Osteopathic Medicine

Assistant Professor, Emergency Medicine 8/3/15-5/25/19
Midwestern University
Chicago College of Osteopathic Medicine

Assistant Professor of Medicine 8/1/12 – 7/17/15
William Carey University
College of Osteopathic Medicine

- Lecturing in OMS 1 and OMS 2 curriculum
- Lead small group activities in OMS 1 and OMS2 curriculum
- Lab instruction in OPP for OMS 1 students

Clinical Associate Professor 2/2009 - 1/31/13
Department of Family Medicine
Nova Southeastern University
College of Osteopathic Medicine

- Preceptor/clerkship clinical education

Adjunct Assistant Professor 7/2008 - 6/30/12
Touro University Nevada College of
Osteopathic Medicine

- Preceptor/clerkship clinical education

Associate Clinical Assistant Professor 8/1/01 - 7/1/05
New York College of Osteopathic Medicine

- Preceptor/clerkship clinical education

Beth A. Longenecker, DO, MS, FACOEP, FACEP
Dean, Athens Campus

Teaching

Course development:

- 2 week online didactic session with weekly case discussion for 2+2 emergency medicine rotation COVID adaptation. (OUHCOM)
- Co-course director for newly implemented Clinical Skills Assessment 1,2,3
 - Courses assess students' development of Entrustable Professional Activities in the OMS 3 and 4 years. (CCOM)

Faculty lead week 9 of Acute Curriculum (OUHCOM) lead case discussion and clinical correlation of acute headache for OMS 1 students

Presentations/teaching activities OMS 1-4(CCOM)

- Cystic Fibrosis
- Closed head injury
- GI bleeding
- Myasthenia gravis
- Nausea, vomiting and diarrhea
- Primary pulmonary nodules
- Primary intracranial tumors
- Pseudotumor cerebri
- Pulmonary hypertension
- Spinal cord injuries

Presentations in the OMS1-3 curriculum (WCUCOM):

- AACOM Core Competencies
- Abnormal Vaginal Bleeding
- Acute Kidney Injury
- Acute Respiratory Failure

Beth A. Longenecker, DO, MS, FACOEP, FACEP
Dean, Athens Campus
Ohio University Heritage College of Osteopathic Medicine
740-593-2251
longenecker@ohio.edu

- Alcohol Abuse and Dependence
- Asthma
- Chronic and Fungal Pulmonary Infections
- Chronic Obstructive Pulmonary Disease
- Clinical Review of the Renal System
- Fluid and Electrolytes
- Hypertension
- Nephrolithiasis
- Platelet Disorders
- Shock
- The Breast and Axilla
- The Red Eye

Faculty Development presentations for preceptors:

- Becoming a More Effective Clinical Teacher
- Bedside Teaching and Feedback
- Clinical Teaching Skills and the Learning Environment
- Incorporating a Student Into Your Practice
- Introduction to Clinical Teaching
- Mentorship
- Precepting FAQs
