What semester do you intend on starting Upper Division Honors classes? _____

In order to qualify for automatic acceptance into Upper Division Honors, HIP students must have a minimum of 3.25 GPA and will have completed 45 credit hours by the start date. If you do not meet this minimum, you may *still complete* this intent form, and the Honors Program will review your transcript and meet with you to discuss your transition into UHP.

Honors Project ideas: Upper Division Honors requires an Honors Project in the research, creative or applied paths. What type of project and project ideas are you potentially interested in pursuing? You do not need to have solidified your topic or project plans, simply discuss any options that you have considered so far. ***You may attach an additional page, or*** use the space provided below.
(Your project design will be developed in HON351).
