HONORS PROGRAM

Thesis/Capstone Proposal Approval Signature Form

- Honors Program students must obtain approval of their Honors/Capstone Project before beginning the project. This form should be completed at the end of the semester in which the student is enrolled in HON351.
- If an additional semester is required to obtain Full Approval of a project proposal, this form should still be turned in at the end of the HON 351 course with the applicable box stating the progress of the student and a new form will be completed and signed when the proposal is fully approved in the future semester.
- The grade assigned by the thesis advisor for work on the proposal will be factored into the final grade for the students in HON351 (10% of grade).
