MOVE-IN GUIDE
2018-19
Are you ready to move to your new home?

We’ve gathered some info for you to help make your move-in day a good experience. Additional information will be sent to your BEARMAIL, bearmail.unco.edu. You can also log back into your housing contract to view your housing and roommate status.

Your parents and/or guardians will be receiving updates through our Parent Newsletter if their email address is listed on your account.

Preparing for Move-In Day.

Official Move-In Day for the residence halls starts 8am on Thursday, August 16. This is when you can start to move your belongings into your new home. New students must check in at their residence hall by 5pm.

When you arrive for check-in visit your check-in location to receive your room inventory and key. Residents in Wilson, Wiebking, Harrison, North, South and Turner Halls will select a PIN, encode their UNC ID card at the front desk and then their card will be activated to open their room door.

UNC ID cards will be activated to open the main doors of the building. If you have any trouble gaining access to your building contact the Housing & Residential Education Office.

Move-In volunteers can help you move in.

Dollies and carts will be available for use on both Central and West campus; however, please feel free to bring your own if you have one.

If you are requiring an early arrival but are not attending the final New Student Orientation Session or participating in Lead On Camp, you may contact the Housing & Residential Education Office. If approved to arrive early, please be aware there will be a daily charge of $45 per day.

Elevators can only be used in Brown, Harrison, Lawrenson, North, South and Turner Halls.

Here are some things to discuss:

• Do you want to split the cost of renting a refrigerator?
• What items are you sharing and who is bringing what? TV, Blu-ray/ DVD player, microwave?

UNC PARKING MAP

Twenty-minute loading areas will be available during move-in on Thursday and Friday. As long as you are not parked in an ADA Accessible space, service space, fire lane or a 20-minute loading zone, Parking Services will not be ticketing during move-in. They will begin enforcing parking permits on the first Monday of classes. Parking permits can be purchased online at unco.edu/parking/permits or by visiting Parking Services in Gray Hall. If you have any questions, contact parking services at (970) 351-1971.

UNIVERSITY CENTER (UC)
The UC is a great place to hang out with friends, attend events, relax or grab a bite to eat. It’s a one-stop shop for campus convenience—Wells Fargo Service Center, the UNC Bookstore and Fan Shop, Sushi with Gusto, Munchy Mart, Einstein Bros. Bagels, and Subway. Visit unco.edu/universitycenter for details.
**Tips.**

**MAILING PACKAGES**
To send mail via USPS, UPS, FedEx or other provider, please use our guidelines to ensure your mailing arrives in a timely manner. Please do NOT put “UNC” or “University of Northern Colorado” on any of the mail. This will redirect the mail to the UNC general mail room for faculty, staff and department mail. Hall mailing addresses can be found at unco.edu/housing/current/mail.aspx

**TECHNOLOGY**
Wireless and wired connections are provided in student bedrooms. For devices that have a wired network connection, an ethernet cable is always advised for the most reliable and fastest connections. We encourage students not to bring a printer and instead take advantage the BearPrint stations. Students who bring a printer should purchase a wired printer to be connected directly a computer by USB cable rather than a wireless one. Internet connected game stations, Smart TVs, DVD/Blue Ray Players, Apple TVs, Roku devices etc. can generally be connected to the UNC network through a wired connection after being enabled by Information Management & Technology (IMT). Contact IMT’s help desk at 970-351-4357 for support and next steps.

**CABLE**
Television service is provided by Apogee Campus Televideo, which provides digital TV service to more than 240 campuses throughout the United States. This cable service requires both a TV with a QAM tuner and a standard coaxial cable to attach the TV to the wall port. For more information about the cable service visit unco.edu/housing/current/campus-televideo.aspx
