## **Department of Criminology and Criminal Justice**

### **Internship Requirements**

The internship program requires that you submit an application to the Criminal Justice Department.

To be eligible for the internship you must be a Criminal Justice major or minor who has completed at least 60 hours of course work. Additionally, you should have completed the 100- and 200-level core criminal justice class requirements that are related to your internship.

You will not be permitted to register for the internship class until your application has been approved.
