Your CHEIBA Trust Benefits

We’re committed to you and your health

An annual open enrollment period is announced each fall, in which eligible employees can make certain coverage changes. The enrollment window start and end dates vary by institution. The information in this booklet provides an overview of your 2019 benefits package to help you in making the choices that best meet your individual and family’s needs – but it is up to you to take action.

In the end, it’s your coverage. You have the power – take your health into your own hands through the selections available to you. We encourage you to read the selections carefully and go online to the BeneCenter to protect what’s important to you.

Ensure you elect the best coverage for you and your family:

- Carefully read the benefit summaries and utilize resources before completing your election forms.
- Review the additions and changes to your benefits for the 2019 plan year.
- Add or delete dependents from coverage under the plan.
- If you have questions, phone numbers and website addresses are included throughout this guide for your convenience.

We know your health is important to you, and it is important to us, too. That’s why the CHEIBA Trust is committed to providing you and your family a strong benefits package.

Who is CHEIBA?

CHEIBA stands for Colorado Higher Education Insurance Benefits Alliance. Your employer has joined together with seven other educational institutions to create more purchasing power in the insurance market. What does this mean to you? Simply, lower premiums for richer benefits.

By creating a purchasing group of over 9,000 lives, your employer is able to deliver better benefits at a lower cost. The Trust meets every other month to monitor your plans, and reevaluates them each year to determine the best benefit offerings.

CHEIBA Trust Member Institutions:

Adams State University, Auraria Higher Education Center, Colorado School of Mines, Colorado State University-Pueblo, Fort Lewis College, Metropolitan State University of Denver, University of Northern Colorado, and Western Colorado University.
If you require this information in a different format, or have specific requirements under ADA accessibility, contact your institution’s Human Resources/Benefits Office.

You owe it to yourself to decide if the plans you choose fit how you use health care and insurance. Taking some time to analyze your and your family’s situation could make a huge difference and save you money.

The following are your benefit offerings for 2019:

- Medical Insurance & Prescription Drugs
- Dental Insurance
- Vision Insurance
- Flexible Benefit Plan
- Basic Term Life Insurance
- Voluntary Term Life and AD&D Insurance
- Long-Term Disability Insurance
- Employee Assistance Plan (EAP)
- Travel Accident Insurance

New hires

Eligible employees must enroll within 31 days of their first day of employment, and authorize payroll deductions. If an eligible employee does not enroll or waive coverage within 31 days of the first day of employment, the employee will automatically be enrolled in the medical benefits Anthem Prime Blue Priority (PPO) and Anthem Dental Essential Choice PPO plans.
## Eligibility

**Who is eligible to be a dependent?**

- Legal spouse.
- Employee’s married or unmarried child(ren) until the end of the month in which their 26th birthday occurs or medically certified disabled child(ren) of any age.

**Timeframes**

Documentation of dependency must be provided within the following timeframes:

- Within 31 days of benefits eligibility;
- During the annual Open Enrollment period; or
- Within 31 days of all changes related qualifying events.

## Documentation

**Legal Spouse**

- A document dated within the last 60 days showing current relationship status (household bill or statement of account), listing your spouse’s name, the date and your address, or the first page and signature page of your most recent federal tax return,
- AND
- Registered copy of marriage certificate, and common-law marriage affidavit, or registered copy of civil union certificate.

**Child(ren)**

- The child’s birth or adoption certificate, naming you or your spouse as the child’s parent, or appropriate custody or allocation of parental responsibility documents naming you or your spouse as the responsible party to provide insurance for the child.

## Qualifying events

Qualifying events are the only opportunities to make changes to your benefit elections outside of annual Open Enrollment, and include, but are not limited to:

<table>
<thead>
<tr>
<th>Event (Legal Spouse)</th>
<th>Event (Child(ren))</th>
<th>Event (Employee)</th>
<th>Event (Employer)</th>
</tr>
</thead>
<tbody>
<tr>
<td>A marriage, common-law marriage, civil union, divorce, or legal separation.</td>
<td>The death of a spouse or other dependent.</td>
<td>The birth or adoption of a child.</td>
<td>You or your spouse experiencing a change in work hours that affects benefits eligibility.</td>
</tr>
<tr>
<td>Loss or gain of a spouse’s coverage through their employer.</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Changing your benefit elections related to these events must be completed within 31 days of the event.
Waiving coverage

- If employees elect medical coverage, they will automatically be enrolled in dental coverage. However, if employees waive medical coverage, they are still able to enroll in dental and vision coverage.
- If medical and dental coverage is waived, dependent coverage must also be waived.
- If coverage is waived, eligible employees and their dependents may only enroll in coverage during the next open enrollment, or within 31 days of a qualifying event.
- Medical coverage may only be waived with proof of other group medical coverage.

Section 125 pre-/post-tax elections

Complete the Section 125 election form to elect whether or not your insurance premiums will be taxed.

The Defined Contribution Pension Plan retirement benefits are based on the dollars contributed to the plan over your total years of employment. These contributions may be based on your taxable wages which are reduced by your participation in the Section 125 plan. However, you may be able to increase your voluntary retirement plan contributions to compensate for this reduction in contributions and reduction in future retirement benefits.

Public Employee Retirement Association (PERA) contributions are not paid on any dollars re-directed through participation in the Section 125 plan. PERA retirement benefits are based on your highest average salary. If you are within your final three years of employment under PERA, you may want to elect after-tax payments for insurance premiums and decline participation in the spending accounts.
Peace of mind when you need it most

Anthem Blue Cross and Blue Shield

We help you protect what’s important to you, because it also matters to us. Having coverage when you need it most is as important to us as it is to your family. That’s why the CHEIBA Trust offers you four medical insurance plans to choose from.

Ensure you carefully review the summaries regarding the various medical insurance plan options to see if it is right for you and your family, before you make your selection.

Prescription Drug Benefits

Save more on regular medications

Your prescription drug coverage has four copayment tiers, with generic medications having the lowest copayments. Plans use a drug list called a formulary to help determine your copayment for each prescription. Your formulary can be found on the BeneCenter.

If you take regular medications for ongoing conditions such as asthma, diabetes, or high blood pressure, you can eliminate monthly trips to the pharmacy and receive a larger supply with fewer copayments with the home delivery service. Typical savings are at least one copayment for each prescription.

Diabetic supplies/prescriptions and asthma inhalers/prescriptions are covered at no cost to you. Prescription drugs purchased from Out-of-Network pharmacies are not covered.

Smile, you’re covered
Anthem Blue Cross and Blue Shield

Strong teeth and healthy gums are a big part of your overall health. We give you coverage when it comes to your teeth and gums for a reason. Aside from routine check-ups and cleanings, knowing that you’re covered should you need to see a dentist or a specialist for a big-ticket procedure, such as fillings, root canals, and crowns, is added peace of mind.

The CHEIBA Trust has made changes to the dental benefits for the 2019 plan year, to offer you and your family an upgraded single-option program. The new Anthem Dental Essential Choice PPO network is broader than before, and the benefits have been enhanced.

Moving to Anthem Dental Essential Choice PPO also allows access to powerful member tools, including Ask a Hygienist, risk assessments, cost estimators, as well as network information and on-the-go claims info via Anthem Anywhere. Look for an expanded provider listing in the Anthem “Complete” Network on anthem.com.

Flexible Spending Accounts

Making your money go further

You have the option to take advantage of tax-efficient accounts if you so choose

When you choose to participate in a Flexible Spending Account, your monthly taxable income is reduced. Dollars elected in the Healthcare Spending Account are available to you at any time during the plan year. You can claim reimbursement for eligible expenses incurred while you are active in the plan, up to your maximum elected amount. This plan is offered on a voluntary basis and participation may require an administration fee. See your institution’s rate sheet for fee information.

Use the comparisons and descriptions below to carefully consider you and your family’s health and child/dependent care needs, and estimate predictable expenses you will incur during the plan year. Any contributions to these accounts that are not used for eligible expenses incurred during the plan year will be forfeited unless your employer offers a roll-over option.

What is a Flexible Spending Account?

Pay some of your out-of-pocket medical, dental, vision expenses, and other eligible family expenses with pre-tax dollars. 24HourFlex® tax-efficient accounts make your money go further. All you have to do is sign up to reap the reward.

Making changes to elections

You may change elections during the plan year only when a qualifying status change occurs as described earlier in this summary and in accordance with IRS rules governing tax qualified flexible benefit plans. Changes in a daycare provider would allow for a change in the election of the participant. You would be allowed to stop, increase or decrease your election for this reason. Changes must be requested within 31 days of the status change and must be approved by your Human Resources/Benefits Office.

You must enroll for the Healthcare Spending Account and the Dependent Care Spending Account on an annual basis. Please contact your Human Resources/Benefits Office.

“Use it or Lose it”

You must incur eligible expenses during the plan year while you are an active participant in the plan. All claims must be received no later than April 15 of the year following the plan year.

Dollars not claimed by April 15 will be forfeited. The ‘Use it or Lose it’ provisions may have some exceptions. Please check with your Human Resources/Benefits Office for more information.

* with the exception of Fort Lewis College who uses Frederick, Zink & Associates
What do these accounts mean to me?

**Healthcare Spending Account**

Through the Healthcare Spending Account, eligible out-of-pocket expenses incurred by you, your spouse and dependents during the plan year include the following items: deductibles, copayments, (non-cosmetic) dental work, orthodontics, prescriptions, eye care, glasses, LASIK, and PRK procedures, contact lenses, and more. Over the counter medications may be reimbursed by filling a prescription from your physician in the pharmacy.

Generally, if a medical expense is considered eligible as a medical deduction on your federal tax return it may be eligible for pre-tax payments within your Flexible Benefit Plan. Expenses for your eligible dependents may be reimbursed through this account even if they are not enrolled in the CHEIBA Trust medical, dental, or vision plans. If you wish to continue to participate in this benefit you must re-enroll in the plan each year.

**Dependent Care Spending Account**

If you are single, married filing jointly, or filing head of household, you may contribute up to $5,000. The number of children or dependents does not impact the $5,000 limit. If you are married and filing separate tax returns, you are limited to $2,500 per spouse, per calendar year.

Eligible expenses must be for children under the age of 13, or for older dependents with a physical or mental disability requiring supervision so you and your spouse can work or attend college full-time. All care expenses must be necessary to employment or the pursuit of a college education on a full-time basis. Ineligible expenses include payments for referral services, parenting seminars, tuition expenses including kindergarten, child support payments, and payments to a spouse or other dependent for the care of the child or dependent. Overnight camp is not an eligible expense.

Note: You cannot take advantage of both the Dependent Care FSA and the ChildCare tax credit; however, you may be able to use a combination of the tax credit and the pre-tax program. When a combination is used you are limited to the tax credit limits for the total dollars allowed. Expenses paid through a Dependent Care Spending Account cannot be claimed as a tax credit on your income tax return or submitted to any other source for reimbursement. Be sure to consult a tax professional for information as to which tactic is best for your specific situation.

Basic Term Life Insurance

A helping hand when you need it most

Anthem Life Insurance Company

It’s unpleasant to think about, but you can take comfort in knowing your family is covered in the event of death or accident with Basic Term Life Insurance, which includes Term Life and Accidental Death and Dismemberment (AD&D). There’s also dependent coverage, so you know you’ve got your entire family covered.

Maximum Benefits

The amount of life insurance benefit for active employees is calculated on your annual base salary. This plan provides the following coverage:

<table>
<thead>
<tr>
<th>Age 66 and under</th>
<th>Age 67-69</th>
<th>Age 70 and over</th>
</tr>
</thead>
<tbody>
<tr>
<td>Two times annual base salary to a maximum of $500,000</td>
<td>Two times annual base salary to a maximum of $50,000</td>
<td>$10,000</td>
</tr>
</tbody>
</table>

Coverage is rounded up to the nearest $1,000. If an Employee takes a sabbatical and receives a lower salary during the time of the sabbatical, the life insurance benefit will be calculated at the lower salary level.

Voluntary Term Life & AD&D Insurance

Need more coverage?

Anthem Life Insurance Company & Mutual of Omaha Insurance Company

Voluntary Term Life & AD&D provides added security if you need more than the Basic Life Insurance included in your benefits. We understand you may want to provide more coverage for your family – the voluntary employee-paid term life insurance and AD&D insurance plans add protection beyond the basic plan. You’ll have high-limit protection in case the unthinkable happens. Our voluntary employee-paid term life insurance plan can be designed to meet the needs of each individual or family.

Let your benefits do the work

Standard Insurance

If you’re sick or hurt and can’t work, you are covered with Long-Term Disability Insurance. You are eligible to receive two-thirds of your salary, up to $7,000 a month, after you have been disabled for 90 days, so even during one of the hardest times of your life, you’ll be able to support those you love.

Schedule of Coverage

LTD Benefit is the lesser of the following:

- 66 2/3% of your pre-disability earnings to a maximum benefit of $7,000 per month; or
- 70% of your pre-disability earnings, reduced by deductible income (i.e., Social Security or PERA disability).

The benefit waiting period is 90 days. The minimum monthly payment is $100. Cost-of-living adjustment (COLA) is included.

It’s completely confidential, cost-free, and there are offices state-wide, or phone counseling, so you can talk to someone in your time of need.

C-SEAP is offered to State employees with work-related or personal concerns, and is a resource for supervisors and managers seeking individual managerial consultation, work-group organizational development, assistance with conflict resolution, or help with resolution of work-place traumatic events such as:

- Grief
- Domestic Violence
- Anger
- Stress
- Depression
- Anxiety
- Couples/Family Problems
- Health Concerns
- Substance Abuse
- Workplace Conflict
- Job Performance Concerns
- Personal/Professional Growth

C-SEAP offices are located in Downtown Denver, Loveland, Sterling, Grand Junction, Colorado Springs, Pueblo, Canon City, Alamosa, and Durango. Phone counseling is available in all areas.

Want to schedule an appointment?
Call C-SEAP anytime Monday through Friday between 8 a.m. and 5 p.m.

Frequently Asked Questions

What is the CHEIBA Trust?
The Colorado Higher Education Insurance Benefits Alliance Trust is a benefit purchasing consortium and trust. Each participating college shall designate one of its Employees to serve as a Trustee and member of the Trust Committee.

What is a copayment?
A copayment is a charge that must be paid at the time of service e.g. a visit to your doctor’s office.

What is a coinsurance?
The portion of covered health care costs for which the covered person has a financial responsibility (usually a fixed percentage). Often coinsurance applies after first meeting a deductible requirement.

What is a deductible?
The amount of eligible expenses a covered person must pay each year from his/her own pocket before the plan will make payment for eligible benefits.

What is an Out-of-Pocket cost?
The portion of payments for health services required to be paid by the enrollee (includes copayments, coinsurance and deductibles).

What is an Out-of-Pocket limit?
This is the pre-determined amount of medical expenses you are responsible for before a plan pays 100% of remaining “reasonable and customary” charges. Certain charges like penalties for non-pre-certification and balance billing are not eligible for out-of-pocket limits.

What is a drug formulary?
This is a listing of prescription medications which are preferred for use by the health plan and which will be dispensed through participating pharmacies to covered persons. A plan that has adopted an “open or voluntary” formulary allows coverage for both formulary and non-formulary medications. A plan that has adopted a “closed, select or mandatory” formulary limits coverage to those drugs in the formulary.

What is ‘balance billing’?
Out-of-network reimbursements are based on a maximum allowable fee schedule. If the provider’s charge exceeds the maximum allowable fee schedule amount, you may be required to pay the excess amount as out-of-pocket expenses.

What is a Point-of-Service (POS) Plan?
A POS health plan allows the covered person to choose to receive a service from a participating or non-participating provider, with different benefit levels associated with the use of participating providers. POS can be provided in several ways:

- an HMO may allow members to obtain limited services from non-participating providers;
- an HMO may provide non-participating benefits through a supplemental major medical policy;
- a PPO may be used to provide both participating and non-participating levels of coverage and access; or
- various combinations of the previous options may be used.

What is a Health Maintenance Organization (HMO)?
An HMO is an entity that provides, offers or arranges coverage of health services needed by Plan members for a fixed, prepaid premium.

What is a High Deductible Health Plan (HDHP)?
An HDHP is a health insurance plan that has a high minimum deductible which does not cover the initial costs or all of the costs of medical expenses. The deductible must be met by the insurance holder before the insurance coverage kicks in. Compared to other plans, the HDHP has lower monthly premiums and you pay a portion of the expenses when you use the services.

What is a Health Savings Account (HSA)?
An HSA is a tax-favored savings account that, when paired with a qualified High Deductible Health Plan (HDHP), allows you to pay for qualified medical expenses, or leave funds invested in the account for future medical expenses, tax-free. An HSA account is a personal, portable account and remains in your control regardless of your employment. An HSA can be established through any qualifying financial institution. Please contact your financial advisor or banking institution for more information.

What is a Flexible Spending Account (FSA)?
An FSA is a tax-free account which allows employees to set aside pre-tax dollars from their gross wages to later be reimbursed tax free for eligible expenses incurred during the plan year. Unclaimed dollars are forfeited to the employer. Accounts include a Health Care Spending Account for out-of-pocket health care expenses for the family and a Dependent Care Spending Account for dependent care expenses necessary to employment. There is also a pre-tax insurance payments process which allows Employees to use their pre-tax dollars to pay their share of all the CHEIBA Trust sponsored health-related insurance premiums.

If I terminate employment, when do my benefits end?
Eligibility will terminate at the end of the month of the termination of employment for any reason including death and retirement. Contact Human Resources/Benefits Office for other situations.

If I have a leave of absence, is my coverage affected?
Coverage under the Plan may continue for certain Employees on an Approved Leave of Absence, including but not limited to: Short/Long Term Disability, Workers Compensation Leave, Family and Medical Leave Act, Sabbatical or Military Leave under the “Uniformed Services Employment and Reemployment Rights Act”. Contact your HR Department for information related to your specific leave.

What is the Section 125 Premium Only Plan?
A pre-tax insurance payments process which allows employees to use their pre-tax dollars to pay their share of all the CHEIBA Trust sponsored health-related insurance premiums.

A covered Employee who elects to continue health plan coverage under the Plan during a period of active service in the Uniformed Services may be required to pay not more than 102% of the full premium under the plan associated with such coverage for the employer’s other Employees, except that in the case of a covered Employee who performs service in the Uniformed Services for less than 31 days, such covered Employee may not be required to pay more than the Employee share, if any, for such coverage. Continuation coverage cannot be discontinued merely because activated military personnel receive health coverage as active duty members of the Uniformed Services, and their family members are eligible to receive coverage under the Department of Defense’s managed health care program, TRICARE.

The maximum period of coverage for the Employee and the covered Employee’s dependents under such an election shall be the lesser of:

- the 24-month period beginning on the date the person’s absence begins; or
- the period beginning on the date the covered Employee’s absence begins and ending on the day after the date on which the covered Employee fails to apply for or return to a position of employment as follows:
  - for service of less than 31 days, no later than the beginning of the first full regularly scheduled work period on the first full calendar day following the completion of the period of service and the expiration of eight hours after a period allowing for the safe transportation from the place of service to the covered Employee’s residence or as soon as reasonably possible after such eight-hour period;
  - for service of more than 31 days but less than 181 days, no later than 14 days after the completion of the period of service or as soon as reasonably possible after such period;
  - for service of more than 180 days, no later than 90 days after the completion of the period of service; or
  - for a covered Employee who is hospitalized or convalescing from an illness or injury incurred in or aggravated during the performance of service in the Uniformed Services, at the end of the period that is necessary for the covered Employee to recover from such illness or injury. Such period of recovery may not exceed two years.

In the case of a covered Employee whose coverage under a health plan was terminated by reason of services in the Uniformed Services, the pre-existing exclusion and waiting period may not be imposed in connection with the reinstatement of such coverage upon reemployment under this Act. This applies to the covered Employee who is reemployed and any dependent whose coverage is reinstated. The waiver of the pre-existing exclusion shall not apply to illness or injury which occurred or was aggravated during performance of service in the Uniformed Services.

“Uniformed Services” shall include full time and reserve components of the United States Army, Navy, Air Force, Marines, Coast Guard, Army National Guard, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or emergency.

If you are a covered Employee called to a period of active service in the Uniformed Service, you should check with the Plan Administrator for a more complete explanation of your rights and obligations under USERRA. In the event of a conflict between this provision and USERRA, the provisions of USERRA, as interpreted by us or your former employer, will apply.

Premium Assistance Under Medicaid And The Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan. If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).
If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of August 10, 2017.

Contact your State for more information on eligibility:

Women’s Health And Cancer Rights Act
If you have had or are going to have a mastectomy,
you may be entitled to certain benefits under
the Women’s Health and Cancer Rights Act of
1998 (WHCA). The Women’s Health and Cancer
Rights Act requires group health plans and their
insurance companies and HMOs to provide certain
benefits for mastectomy patients who elect breast
reconstruction. For individuals receiving mastectomy-
related benefits, coverage will be provided in a
manner determined in consultation with the attending
physician and the patient, for:
•  All stages of reconstruction of the breast on which
  the mastectomy was performed;
•  Surgery and reconstruction of the other breast to
  produce a symmetrical appearance;
•  Prostheses; and
•  Treatment of physical complications of the
  mastectomy, including lymphedema.
Breast reconstruction benefits are subject to
deductibles and co-insurance limitations that are
consistent with those established for other benefits
under the CHEIBA Trust plans.

Newborns’ And Mothers’ Health Protection Act
Group health plans and health insurance issuers
generally may not, under Federal law, restrict benefits
for any hospital length of stay in connection with
childbirth for the mother or newborn child to less
than 48 hours following a vaginal delivery, or less
than 96 hours following a cesarean section. However,
Federal law generally does not prohibit the mother’s
or newborn’s attending provider, after consulting
with the mother, from discharging the mother or
her newborn earlier than 48 hours (or 96 hours as
applicable). In any case, plans and issuers may not,
under Federal law, require that a provider obtain
authorization from the plan or the insurance issuer for
prescribing a length of stay not in excess of 48 hours
(or 96 hours).

HIPAA Special Enrollment Notice
If you are declining enrollment for yourself or your
dependents (including your spouse) because of other
health insurance or group health plan coverage, you
may be able to enroll yourself and your dependents
in this plan if you or your dependents lose eligibility
for that other coverage (or if the employer stops
contributing toward your or your dependents’ other
coverage). However, you must request enrollment
within 30 days after your or your dependents’
other coverage ends (or after the employer stops
contributing toward the other coverage).
In addition, if you have a new dependent as a
result of marriage, birth, adoption, or placement
for adoption, you may be able to enroll yourself and
your dependents. However, you must request enrollment
within 30 days after the marriage, birth, adoption,
or placement for adoption.

HIPAA Privacy And Security
The Health Insurance Portability and Accountability
Act of 1996 deals with how an employer can enforce
eligibility and enrollment for health care benefits, as
well as ensuring that protected health information
which identifies you is kept private. You have the right
to inspect and copy protected health information
that is maintained by and for the plan for enrollment,
payment, claims and case management. If you feel
that protected health information about you is
incorrect or incomplete, you may ask your benefits
administrator to amend the information. The Notice
of Privacy Practices has recently been updated.
For a full copy of the Notice of Privacy Practices,
describing how protected health information about
you may be used and disclosed and how you can
get access to the information, contact your Human
Resources department.

Continuation Coverage Rights Under
COBRA
The right to COBRA continuation coverage was
created by a federal law, Consolidated Omnibus
Budget Reconciliation Act of 1985 (COBRA).
COBRA continuation coverage may become available
to you and your dependents that are covered under
the Plan when you would otherwise lose your group
health coverage. This notice gives only a summary
of your COBRA continuation coverage rights. For more
information about your rights and obligations under
the Plan and under federal law, you should review the
Plan’s Summary Plan Description, the Summary of
Benefits of Coverage, or the COBRA General Notice.
If you have any questions on your right to COBRA
continuation coverage you may contact your Human
Resources department or 24HourFlex (your COBRA
administrator) at the contact information below:

24HourFlex

You are receiving this notice because you are
covered under the CHEIBA Trust (the Plan). This
notice contains important information about your right
to continue your health care coverage in the CHEIBA
Trust Employee Benefit Plan as well as other health
coverage alternatives that may be available to you
through the Health Insurance Marketplace. This
notice generally explains COBRA continuation
coverage, when it may become available to you and
your family and what you need to do to protect the
right to receive it.
You may have other options available to you when
you lose group health coverage. For example, you
may be eligible to buy an individual plan through
the Health Insurance Marketplace. By enrolling in
coverage through the Marketplace, you may qualify
for lower costs on your monthly premiums and lower
out-of-pocket costs. Additionally, you may qualify
for a 30-day special enrollment period for another
group health plan for which you are eligible (such as
a spouse’s plan), even if that plan generally does not
accept late enrollees.

What is COBRA Continuation Coverage?
COBRA continuation coverage is a continuation of
Plan coverage when coverage would otherwise end
because of a life event known as a “qualifying event.”
Specific qualifying events are listed later in the notice.
COBRA continuation coverage must be offered
to each person who is a “qualified beneficiary”. A
qualified beneficiary is someone who will lose
coverage under the Plan because of a qualifying event.
Depending on the type of qualifying event, Employees,
spouses of Employees, Civil Union Partners, and
dependent children may be qualified
beneficiaries. Under the Plan, qualified beneficiaries
who elect COBRA continuation coverage must pay
for COBRA continuation coverage.
If you are an Employee, you will become a qualified
beneficiary if you will lose your coverage under the
Plan because either one of the following qualifying
events occurs:
1) Your hours of employment are reduced,
2) Your employment ends for any reason other than
gross misconduct.
If you are the spouse or Civil Union Partner of an
Employee, you will become a qualified beneficiary if
you will lose your coverage under the Plan because
any one of the following qualifying events occurs:
1) The Employee dies;
2) The Employee’s hours of employment are reduced;
3) The Employee’s employment ends for any reason
other than gross misconduct;
4) The Employee becomes entitled in Medicare (Part
A, Part B, or both);
5) You become divorced or legally separated from
your spouse; or
6) The civil union is dissolved (this event may not result
in eligibility for COBRA continuation coverage).
Your dependent children and the dependent
children of a Civil Union Partner will become
qualified beneficiaries if they will lose coverage
under the Plan because any one of the following
qualifying events occurs:
When is COBRA Coverage Available?
The Plan will offer COBRA continuation to qualified beneficiaries only after the Plan Administrator has been notified in a timely manner that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the Employee, or entitlement of the Employee in Medicare (Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

Employees Must Give Notice of Some Qualifying Events
For the other qualifying events (divorce or legal separation of the Employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator in writing within 60 days after the later of the qualifying event or the loss of coverage.

If you, your spouse, civil union partner, or dependent children do not elect continuation coverage within this 60-day election period, you will lose your right to elect continuation coverage.

How is COBRA Coverage Provided?
Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered Employees may elect COBRA continuation coverage on behalf of their spouses and Civil Union Partners, and parents may elect COBRA continuation coverage on behalf of their children. For each qualified beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin either (1) on the date of the qualifying event or (2) on the date that Plan coverage would otherwise have been lost, depending on the nature of the Plan.

How long will COBRA Coverage Last?
COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the Employee, your divorce or legal separation, or a dependent child losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the Employee’s hours of employment, and the Employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the Employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered Employee becomes entitled to Medicare eight months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus eight months).

Otherwise, when the qualifying event is the end of employment or reduction of the Employee’s hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability Extension of 18-month Period of Continuation Coverage
If you or anyone in your family covered under the Plan is determined by the Social Security Administration or PERA to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. This notice should be sent to 24HourFlex.

Disability Extension of 18-month Period of Continuation Coverage
If your family experiences another qualifying event while receiving COBRA continuation coverage, the spouse and dependent children in your family can get an additional 18 months of COBRA continuation coverage, up to a maximum of 36 months. This extension is available to the spouse and dependent children if the former Employee dies, or gets divorced or legally separated. The extension is also available to a dependent child when that child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

In all of these cases, you must make sure that the Plan Administrator is notified of the second qualifying event within 60 days of the second qualifying event. This notice must be sent to the COBRA Administrator, 24HourFlex.

Continuation coverage will be terminated before the end of the maximum period if:
- any required premium is not paid in full on time,
- a qualified beneficiary first becomes covered, after electing continuation coverage, under another group health plan,
- a qualified beneficiary first becomes entitled to Medicare benefits (under Part A, Part B, or both) after electing continuation coverage, or
- the employer ceases to provide any group health plan for its employees.

Continuation coverage may also be terminated for any reason the Plan would terminate coverage of a participant or beneficiary not receiving continuation coverage (such as fraud).

Domestic Partners
All eligibility and coverage for domestic partners and the children of domestic partners was closed effective January 1, 2016, provided however that coverage for any domestic partner and the children of the domestic partnership was effective through December 31, 2016, if such coverage was in effect on December 31, 2015. After December 31, 2016, all coverage for domestic partners and the children of domestic partners was terminated.

If You Have Questions
If you have questions about your COBRA continuation coverage, you should contact 24HourFlex at 1-800-651-4855 or send an email to cobra@24hourflex.com.

COBRA Premium Payment Guidelines
Generally, each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount a qualified beneficiary may be required to pay may not exceed 102% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated plan participant or beneficiary who is not receiving continuation coverage, except in certain circumstances.

The required payment guidelines will be provided at the time of COBRA enrollment. There are certain disability circumstances with COBRA where the CHEBA Trust reserves the right to charge up to 150% of the cost to the group health plan (including both employer and employee contributions) for COBRA coverage.

If you elect continuation coverage, you do not have to send any payment with the Election Form. However, you must make your first payment for continuation coverage not later than 45 days after the date of your election. (This is the date the Election Notice is postmarked, if mailed) If you do not make your first payment for continuation coverage in full no later than 45 days after the date of your election, you will lose all continuation coverage rights under the Plan. You are responsible for making sure that the amount of your first payment is correct. You may contact 24HourFlex to confirm the correct amount of your first payment. Your COBRA coverage will not be reinstated until both the election and the full payment are sent to 24HourFlex.

After you make your first payment for continuation coverage, you will be required to make periodic payments for each subsequent coverage period. The periodic payments may be made on a monthly basis. After the first payment, the periodic payments are due on the first of the month.

Although periodic payments are due on the dates shown above, you will be given a grace period of 30 days after the first day of the coverage period to make each periodic payment. Your continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. If you fail to make a periodic payment before the end of the grace period for that coverage period, you will lose all rights to continuation coverage under the Plan.

The monthly premium for continuation of the Health Care Flexible Spending Account is based
on the annual amount you choose to contribute to the account and the number of months remaining under COBRA coverage during the period for which the employee made the election. The Plan may charge additional administrative fees for continued participation.

Keep Your Plan Administrator Informed of Address Changes

In order to protect your family’s rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Important HIPAA Information:

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) includes some provisions that may affect decisions you make about your participation in the Group Health Plan under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). These provisions are as follows:

1) Under HIPAA, if a qualified beneficiary is determined by the Social Security Administration to be disabled under the Social Security Act at any time during the first 60 days of COBRA coverage, the 11-month extension is available to all individuals who are qualified beneficiaries due to the termination or reduction in hours of employment. The disabled individual can be a covered Employee or any other qualified beneficiary.

However, to be eligible for the 11-month extension, affected individuals must still comply with the notification requirements.

2) A child that is born to or placed for adoption with the covered Employee during a period of COBRA coverage will be eligible to become a qualified beneficiary. In accordance with the terms of the employer’s group health plan(s) and the requirements of Federal law, these qualified beneficiaries can be added to COBRA coverage upon proper notification to the Plan Administrator of the birth or adoption.

If you have any questions about COBRA, or if you have changed marital status, or you or your spouse have changed addresses, please contact 24HourFlex by calling 1-800-651-4855 or send an email to cobra@24hourflex.com.

Important Notice From The CHEIBA Trust About Your Prescription Drug Coverage And Medicare (Creditable Coverage Notice)

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage through the CHEIBA Trust and prescription drug coverage available for people with Medicare.

It also explains the options you have under Medicare prescription drug coverage and can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. At the end of this notice is information about where you can get help to make decisions about your prescription drug coverage. Please share this information with any other family member who is covered under the plan and who may be eligible for Medicare Part D.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare through Medicare prescription drug plans and Medicare Advantage Plans that offer prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The CHEIBA Trust has determined that the prescription drug coverage offered through the CHEIBA Trust for the HMO/POS, PRIME Blue Priority PPO, Blue Priority HMO, HDHP and Custom Plus plans is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage pays and is, therefore, considered Creditable Coverage. Because your existing coverage is Creditable Coverage you can keep this coverage and not pay a higher premium (a penalty) if you later decide to enroll in a Medicare prescription drug plan.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will be eligible for your two-month Special Enrollment Period (SEP) to join a Medicare drug plan.

If you decide to join a Medicare drug plan, your CHEIBA Trust coverage will be affected.

If you do decide to join a Medicare drug plan and drop your CHEIBA Trust prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back.

You should also know that if you drop or lose your coverage with the CHEIBA Trust and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For more information about this notice or your current prescription drug coverage, please reference the Multi-Option Plan Summary located in the BeneCenter or contact your Human Resources/Benefits Office for further information.

NOTE: You will receive this notice annually and at other times in the future such as before the next period you can join a Medicare drug plan, and if this coverage through the CHEIBA Trust changes. You also may request a copy of this notice at any time.

For more information about your options under Medicare prescription drug coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. For more information about Medicare prescription drug coverage:

• Visit www.medicare.gov;
• Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help; or
• Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for Medicare prescription drug coverage is available. Information about this extra help is available from the Social Security Administration (SSA) on the web at www.socialsecurity.gov, or you can call them at 1-800-772-1213 (TTY 1-800-325-0778).

REMEMBER: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
Authority of the CHEIBA Trust Committee

The CHEIBA Trust Committee has the sole and absolute discretion to interpret the terms of a Plan and determine the right of any Participant to receive benefits under a CHEIBA Trust Plan. The right of any Participant to receive benefits under a fully insured benefit plan shall be determined by the insurance company pursuant to the terms of its insurance contract and certificate of insurance. The CHEIBA Trust Committee's decision is final, conclusive and binding upon all parties.

Disclaimer: These benefits are designed to meet your individual needs and preferences. While we expect to offer these benefits in future years, the CHEIBA Trust retains the right to discontinue or change the benefits at any time. Changes will be communicated, in writing, to all benefit-eligible Employees. In preparing these written materials, every attempt has been made to convey accurate information. The materials provide a summary of your benefits to be used as reference throughout the plan year. In the event of a discrepancy between the information contained herein and the Trust Agreement, a plan document or certificate of insurance under which a specific benefit or insurance is provided, the terms of the plan document or certificate of insurance shall take precedence over this booklet and shall prevail in settling any disputes or claims that may arise. If errors or discrepancies are found, contact your Human Resources/Benefits Office for the official plan document.
