Protect your family

The people you love and support could face financial challenges if you were no longer around. Life insurance provides your loved ones with money they can use for household expenses, tuition, mortgage payments and more.

How it works

Your employer is offering you and your coworkers this coverage as a group, at a group rate. You are responsible for paying all or a portion of the cost. Choose the benefit that best meets your needs and your budget.

Benefits

For you	<p>You can choose from \$10,000 to \$500,000—in increments of \$10,000, not to exceed 5 times your basic annual earnings—with no medical questions asked up to the Guaranteed Issue amount of \$200,000.</p> <p>The benefit amount is reduced to 50% at age 70 and to 35% at age 75.</p> <p>Your coverage ends at termination of employment or retirement.</p>
For your spouse	<p>If you elect coverage for yourself, you can choose from \$10,000 to \$300,000—in increments of \$10,000 —with no medical questions asked up to the Guaranteed Issue amount of \$30,000.</p> <p>(The amount you select for your spouse cannot exceed 100% of your coverage amount.)</p> <p>Spouse rates are based on spouse age.</p> <p>Coverage ends when your spouse turns age 70.</p> <p>The benefit amount may be reduced when the employee benefit amount is reduced.</p>
For your child(ren)	<p>If you elect coverage for yourself, you can choose \$5,000 to \$25,000—in \$5,000 increments—with no medical questions asked.</p> <p>(The amount you select for your child(ren) cannot exceed 100% of your coverage amount.)</p> <p>The benefit amount may be reduced when the employee benefit amount is reduced.</p> <p>A full benefit is payable for a dependent child who is 6 months to 26 years old. A reduced benefit is payable for a child from 14 days to 6 months.</p>

What does life insurance mean for the Jones family?

Jason and Charlotte just bought their first house and are expecting their first child. They didn't think they could afford life insurance—and they didn't think they needed it because they're young and healthy.

However, Jason's best friend from high school was recently killed in a car accident. Sadly, his wife is selling their home because she can't afford the mortgage on her own.

Jason and Charlotte started to rethink life insurance, and were surprised to find options at work that meet their budget.

Since most people would have trouble paying living expenses after several months if their primary wage earner died, it may be worth asking, who depends on you?*

Additional considerations

If I become terminally ill	You may apply to receive a portion of your life insurance to help cover medical and living expenses. This is not long-term-care insurance. It will reduce the total amount of the life insurance payment we pay to your beneficiary(ies). Receipt of the Accelerated Benefit may be taxable and may impact your eligibility for public assistance programs.
If I become Totally Disabled	If we determine that you are Totally Disabled and cannot work, your life insurance coverage may continue at no cost. You must meet certain requirements, as detailed in the Certificate.
If I leave my employer	Depending upon state variations and your employer's plan, you may have an option to continue group coverage when your employment terminates. Your employer can advise you about your options.
If I've had a life change	You may be able to adjust your coverage as your needs change (e.g., you get married or have a baby). Certain changes require you to answer health questions. Ask your employer for details.

Life FAQ

Do I have to answer health questions to enroll?

You will be required to answer health questions if (1) you do not elect coverage when it's first available to you and you want to elect at a later date; (2) you request an amount higher than the Guaranteed Issue amount noted in the table, if offered; or (3) you want to increase coverage at a later date. You will need to fill out and submit our Evidence of Insurability application which must be approved by Sun Life before the coverage takes effect.

How is my benefit claim filed and paid?

You or your beneficiary(ies) and your employer will complete the appropriate claims forms and submit these to Sun Life. Our claims examiners review the claim and gather additional information if necessary. We will notify you or your beneficiaries when the decision is made. If your death claim is approved, beneficiaries may elect to receive a lump sum payment or to have the benefit paid into an account where the funds accumulate interest and can be withdrawn at any time. (State restrictions apply and options may vary by state.)

Read the important plan provisions section for more information including limitations and exclusions.

How it works

Your employer is offering you and your coworkers this coverage as a group, at a group rate.

You are responsible for paying all or a portion of the cost.

Benefits

For you	You can choose from \$10,000 to \$500,000 —in increments of \$10,000, not to exceed 5 times your basic annual earnings. Benefits are reduced to 67% at age 70 and to 50% at age 75. Coverage ends at termination of employment or retirement.
For your spouse	If you elect coverage for yourself, you can choose \$5,000 to \$250,000 —in increments of \$5,000 . (Not to exceed 100% of your Elected amount.) Spouse rates are based on spouse age. Coverage ends when your spouse turns age 70. Benefit may be reduced when the employee benefit amount is reduced.

Reasons why you may need AD&D insurance

Provide financial support for you or others

Pay household expenses

Hire help for child or elder care

Funeral or medical expenses

You or your beneficiaries can use the benefit to pay for injury-related expenses or to help replace lost income—however way the money is needed.

Covered accidental injuries

You may receive up to 100% of your AD&D coverage amount for losses resulting from one accident, such as paralysis, speech or hearing loss, or thumb and index finger loss. If a covered accident results in your death, your beneficiary will receive 100% of your AD&D coverage amount.

This chart shows a partial list of AD&D insurance benefit amounts as a percentage of coverage. You may refer to the certificate for the full list of covered accidental injuries.

Accidental Death and Dismemberment FAQ

If I do not elect coverage now, can I elect it in the future?

If you do not elect coverage when you are first eligible, you will be required to wait 6 months until you are eligible to elect coverage again.

Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue group coverage when your employment terminates. Your employer can advise you about your options.

How is my benefit claim filed and paid?

In the event of your accidental death or injury, you or your beneficiary(ies) and your employer will complete

the appropriate claims forms and submit these to Sun Life. Our claims examiners review the claim and gather additional information if necessary. We will notify you or your beneficiaries when the decision is made. If your death claim is approved, beneficiaries may elect to receive a lump sum payment or to have the benefit paid into an account where the funds accumulate interest and can be withdrawn at any time. (State restrictions apply, and options may vary by state.) If your AD&D claim for an accidental injury is approved, the benefit amount will be paid directly to you.

Long-Term Disability Insurance

CHEIBA Trust | All Eligible Employees | 935917

Protect your paycheck for the long-term

An accident or illness can put your life on hold. It may even mean you can't work. How do you pay your bills? Long-term disability replaces part of your income if you can't work due to a covered disability. You can use this money to help you pay everyday expenses, like your mortgage or rent, utilities, childcare and groceries.

How it works

Your employer is offering you and your coworkers this coverage as a group, at a group rate. You are responsible for paying a portion or all of the cost.

Benefits

Monthly benefit after your claim is approved	You will receive a check for your benefits on a monthly basis. It will cover 66.67% of your Total Monthly Earnings, up to \$7,000 each month.
When benefits begin	Benefits begin as soon as 90 days
Benefits may be paid for	Until you reach the Social Security Normal Retirement Age —as long as you are still unable to work due to a covered disability.
Additional plan information	You're covered for disabilities resulting from injury or sickness 24 hours a day, seven days a week. You may receive additional benefits if your covered disability begins with a hospital stay of 14 days or more.

*More than one in four of today's 20-year-olds will be out of work for 12 months or more for a disabling injury or illness before they reach retirement. **

Additional considerations

If I have other income	Income from other sources may reduce your benefit amount. These may include disability benefits from social security, retirement, government plans or state disability income; other group disability plans; no-fault benefits, salary continuance or sick leave, and return-to-work earnings.
If I can work while disabled	Your plan is designed to encourage and support your return to work. If you are able to work part-time for example, you may receive part of your benefit while working.

Long-term disability FAQs

What if I have a pre-existing condition?

If you submit a claim within 12 months of your insurance taking effect, or 12 months following any increase in your amount of insurance, we will not pay any benefit for any pre-existing condition. A pre-existing condition includes anything you have sought treatment for in the 3 months prior to your insurance becoming effective. Treatment can include consultation, advice, care, services or a prescription for drugs or medicine.

How do I file a claim after becoming disabled?

Check with your employer to make sure you are eligible for benefits. Then, file a claim with Sun Life. We will ask for information from you about your doctor, your income, and your condition. We will ask for medical records and for your doctor to fill out a form about your condition and your expected recovery. You can download forms from our website.

How is my benefit taxed?

If you pay for your coverage all post-tax, your benefit will not be taxable income or tax reported by us to the IRS. If you pay for your coverage all pre-tax, or if you pay for part of your coverage post-tax and your employer pays for the rest, or if your employer pays the entire premium, some or all of your benefit amount will be taxable income, which will be tax reported on a Form W-2 and it may have FICA tax deductions that reduce the amount we pay you. Please consult with a tax advisor or your employer if you have any questions.

How do I qualify for benefits?

You'll start receiving disability payments if you satisfy the Elimination Period (see "When benefits begin" in the table) and meet the definition of disability if you're insured when you become disabled.

Read the important plan provisions section for more information including limitations and exclusions.

Accident FAQs

What happens if I am injured?

Once your claim is approved, Accident insurance pays you a benefit amount if you are hurt or receive treatment as a result of a covered accident. The benefit amount you receive depends on your injury and/or the treatment you receive. Benefits are payable only once for each Covered Accident (unless noted otherwise in the benefit schedule).

Injuries and other related benefits due to a covered accident must be diagnosed or treated within a defined period of time from the date of your accident. This could be as few as three days for certain benefits. Please refer to your certificate for details.

Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue group coverage when your employment terminates. Your employer can advise you about your options.

How do I file a claim?

We will ask for information from you and your doctor about the specific accident and the treatment provided. You can download forms from our website. Please complete and sign all forms. Missing information or signatures can delay your claim.

Accident insurance is a limited benefit policy. The certificate has exclusions that may affect any benefits payable. Benefits payable are subject to all terms and conditions of the certificate.

Critical Illness FAQs

How do I file a claim?

If you have a diagnosis after the effective date of coverage, you may file a claim with us. We will ask for information from you and your doctor about your medical condition. You can download forms from our website. Please complete and sign all forms. Missing information or signatures can delay your claim.

Can I receive benefits for more than one critical illness?

Yes; however, there must be at least 6 consecutive months between the diagnosis dates. You can only claim benefits once for each covered condition unless a recurrence benefit is payable (see Additional Plan Features).

What if I have a pre-existing condition?

If you submit a claim within 6 months of your insurance taking effect, or 6 months following any increase in your amount of insurance, we will not pay any benefit for any pre-existing condition. A pre-existing condition includes

anything you have sought or received treatment for in the 6 months prior to your insurance becoming effective. Treatment can include consultation, advice, care, services or a prescription for drugs or medicine.

Is my benefit taxable?

If you pay for your coverage all post-tax, your benefit will not be taxable income or tax reported by us to the IRS. If you pay for your coverage all pre-tax, if you pay for part of your coverage post-tax and your employer pays for the rest, or if your employer pays the entire premium, some or all of your benefit amount will be tax reported on a Form 1099 as taxable income. Please consult with a tax advisor or your employer if you have any questions.

Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue group coverage when your employment terminates. Your employer can advise you about your options.

In some states, "Critical Illness" is referred to as "Specified Disease."

"Critical Illness insurance" is a limited benefit policy. The certificate has exclusions, limitations, and benefit waiting periods for certain conditions that may affect any benefits payable. Benefits payable are subject to all terms and conditions of the certificate.

Read the important plan provisions section for more information including limitations and exclusions.

**If permitted by the Employer's employee benefit plan and not prohibited by state law, the term "spouse" in this benefit includes any individual who is either recognized as a spouse, a registered domestic partner, or a partner in a civil union, or otherwise accorded the same rights as a spouse.

Evidence of Insurability

Frequently asked questions

What is Evidence of Insurability?

Your group insurance policy may require Evidence of Insurability (EOI) for you and your dependents. Evidence of Insurability is a statement, or proof, of an employee's or dependent's medical history. We use it to determine whether or not we will provide the benefit you are requesting.

What is the EOI application?

The EOI application is an application on which you and/or your dependent(s) answer "yes" or "no" to questions concerning certain medical conditions. If you answer "yes" to any question(s), you are required to provide specific details of the condition, such as pertinent dates, treatments, and names of physicians. In some cases, a paramedical examination may also be required.

When do I need to submit an EOI application?

You may need to submit an EOI application, if you:

- apply for a coverage amount above the Guaranteed Issue amount,
- declined coverage for yourself or your dependent(s) within the initial eligibility period and are now applying for coverage, or
- enroll yourself or your dependent(s) and then subsequently elect to increase coverage.

Please refer to your benefit highlights page for complete information specific to your plan.

What is the process for submitting an EOI application?

To be considered for coverage, you must complete an EOI application, either online or on paper.

Submit your medical information online

It's the quick, easy, and smart way to submit EOI. And it's completely secure and confidential.

1. Have the following information ready:

- Your group policy number, location, and the amount of coverage for yourself and any dependents who require EOI, and
- Height, weight, and recent medical history for you and any dependents.

2. Go to www.sunlife.com/account

- Under *My Benefits*, select a coverage
- On the right hand side, click on *Submit Evidence of Insurability (EOI)*, follow the instructions, review your answers, and sign your application electronically before you submit. You will receive an official acknowledgment that Sun Life has received your EOI application. If you are approved, you may receive an approval e-mail that same day.

Submit your medical information on paper

If you need a paper application, you can access a printable version at www.sunlife.com/account.

- Click *Where can I find a form?*
- From list of forms, select EOI Application

After Sun Life receives and processes your EOI application, you will receive either a final decision or pending notification. If your application is pending, you may be contacted to schedule a medical exam (at Sun Life's expense). Coverage subject to EOI will not go into effect until Sun Life approves your application in writing.

How long does the approval process take?

As soon as we have received a completed online EOI application and as soon as the coverage amount is certified by your employer, often we can issue an approval within minutes and notify you or your employer via our online system or e-mail. For paper applications and applications that require review by a member of our medical underwriting team, the process usually takes five to seven business days. This time range is contingent on you returning a complete EOI application and our ability to obtain the necessary health information.

How will I be notified if I am approved?

If you submit your EOI application online and are approved right away, you will receive an e-mail. If you submit your EOI application via fax or mail, a letter will be sent to your home notifying you of the approval.

How will I be notified if I am denied?

If you are denied the requested coverage, a letter is sent to your home. This letter outlines why you were denied and gives you instructions on how you can appeal the decision.

When does my coverage take effect?

Coverage is effective on the later of the date Sun Life approves your application in writing or the date your coverage is effective under your employer's group insurance policy, provided that you or your dependent(s) are eligible under the group policy.

About privacy and security

In accordance with Sun Life's strict privacy practices, your answers to the Health History portion of the EOI application are completely confidential. Sun Life never shows them to your employer.
