---------------------------	------------------------------	----------------------------	------------------------

Term for which you are applying: Fall Interim Spring Summer

*The University of Northern Colorado provides employee tuition grants to eligible employees who are 0.50 Full Time Equivalence (FTE) or above as a benefit to assist with on-going education opportunities. Tuition for employees with an annualized FTE of 0.50 to 0.99 will be prorated based on the FTE. The credit hours allowed are based on annualized FTE not to exceed 9 per academic year (Fall, Spring & Summer Semesters). Employees are urged to spread the credits over the three semesters. The UNC Tuition Grant applies only to “resident” tuition. Tuition grants can now be applied to “for-credit” classes that fall under the Extended Studies program, which may include online and alternative scheduled classes. Not-for-credit and study abroad courses **are not** covered under this provision. A new academic year starts each fall. **The standards of Satisfactory Academic Progress established by the Office of Financial Aid apply in order to be eligible for the tuition waiver. A new grant request is required for each semester.** As of July 1, 2018, the tuition waivers will no longer cover the MBA program at Monfort College of Business.*
