University of Northern Colorado

AUTHORS and ARTISTS

2018

Congratulations

to all members of the University of Northern Colorado campus community who contributed as scholars and artists through published works, grants, shows, performances, and creative works from January to December of 2017. We are honored to recognize these authors, grant recipients, artists, and performers. The University Libraries is very pleased to support the academic and scholarly pursuits of the university community.

Helen I. Reed, Dean of University Libraries
