Note: Degree Works "total" credits includes transfer credits, credits earned, **and** credits in-progress. To calculate your Earned Credits for the purpose of finding your Registration Date from Degree Works subtract credits that you're currently working on and have registered for but not started if applicable (i.e. 2019 Interim Winter Session)

EX: 56 credits transferred an/or completed – 15 credits for Fall 2019 = 41 Earned Credits
