Lewan/Xerox self-service portals

Order a Xerox device for purchase or lease

- Device selection and selection of add-ons - Lewan/Xerox B2B Portal
- Pre-order selection

Lewan Customer Gateway

- This self-serve portal will allow for the
 - Invoices – view, review and remit payment
 - Service – request and review service calls
 - Supplies – place orders, view the status of orders placed and review previous orders

Lewan/Xerox B2B Portal - Pre-order Selection

Pre-order device selection of a new multi-function printer to lease or desktop printer to purchase, go to [B2B \(xerox.com\)](https://www.xerox.com)

On this site, login with Email: lewan.service@unco.edu and password: [RowingNotDrifting](#)
All devices and options available to UNC are available to view, along with any available add-ons
Orders cannot be placed with this account. Base models and configuration/add-on choices may be selected/deselected, and the costs will be calculated. Once a copier/MFD for lease or desktop printer for purchase is selected, along with desired add-ons, the configurations maybe saved as a PDF. With this PDF, the department may proceed with placing the order by forwarding the desired device and configuration to the Accounting Specialist for the designated department/school/college.

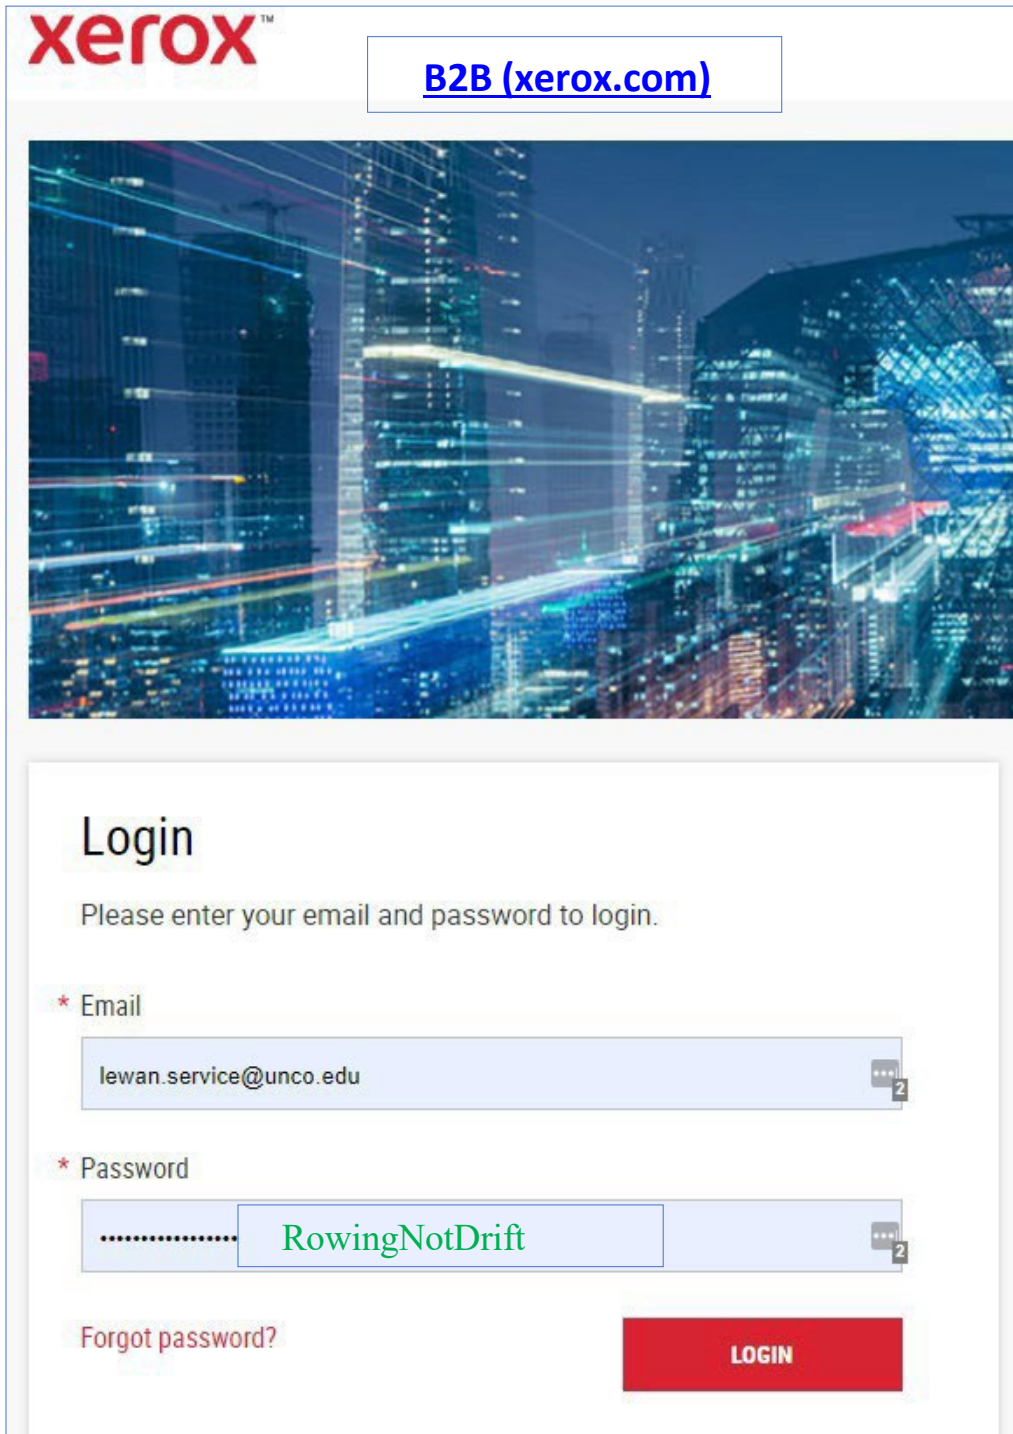

ASC Accounting Specialists with BUYER permissions to the B2B portal may order a new Lewan/Xerox copier/MFD or desktop printer from the B2B Xerox portal:

- Make a selection: Submit an order directly from the B2B Xerox portal. This will require that the purchasing rep have a BUYER account created for the portal. This account may be created by calling: or sending an email to:
- Submit the order by sending an email to, or phoning, Lety Shephard

Contact the UNC Lewan/Xerox sales account manager. When ordering a new device, it is recommended that you have an account created on the Customer Gateway

Using the TouchPoint (B2B) portal – Selecting a Xerox

This VIEW ONLY account provides ONLY the option to view and make configuration choices. Orders may NOT be submitted with this account. To place an order, first notify the Lewan/Xerox rep to have an account created for the Accounting Specialist of your ACS. Orders may also be submitted to the Lewan rep, who will place the order and assist with necessary account creation for the online access to invoices, supply ordering and submitting service requests.

Private Ordering Portal

Welcome to the University of Northern Colorado / Lewan Technology Copier Rental and printer ordering portal. We look forward to supporting UNC and helping you select the right device for your needs

If you have any questions related to the Xerox portfolio of products or other Lewan Technology offerings, please do not hesitate to reach out to your Account Manager, Luke Martin, via email at UNCrequests@xerox.com or via phone 970.495.6428.

We look forward to working with you.

Luke Martin and the Lewan Technology Team

How can we help you today?

To view the Xerox products available for your department, you will select how the device will be used, and what features are desired.

Begin by selecting either LEASED DEVICE or PURCHASE DEVICES. Based on the features/capabilities selected on the left, one or more device will be presented for consideration.

Click on LEARN MORE to review specifications for the selected devices.

The first screen will show basic information, including the length of the lease contract (IF LEASING) and the monthly cost for each.

Click on BUILD YOUR CONFIGURATION. Here you may add features to the device. The associated cost for each feature will be displayed. The cost per impression (print) is listed on each BUILD YOUR CONFIGURATION. The anticipated per month volume is included with the calculation to estimate monthly costs. *The monthly cost to print calculator is only available for LEASED DEVICES. The calculations for the cost to print is an estimation only.*

Actual cost may be more or less based on actual use.
