

Access Guide

Get Connected

WiFi

UNC Students

UNC Student requires the pre-shared key to connect. Once connected, you are required to register your devices. You can register one of two ways:

- Captive Portal (cell phones, laptops, wireless devices)
- Submitting a Device Registration

Please Note: *IOT devices such as Smart Home Devices, Smart TVs, gaming consoles, etc., must be registered by submitting a device registration form. They cannot connect via the Captive Portal.*

Captive Portal

To access UNC's WiFi, begin by connecting UNC-Student using the passphrase (Pre-shared Key) **UNCStudent**

Once connected, you should be automatically redirected to the UNC login page.

Acceptable Use Policy

Please read the Acceptable Use Policy

UNC's computer infrastructure, including all related equipment, is provided for authorized UNC use only. UNC computer systems may be monitored for all official purposes. Use of UNC's computing infrastructure, authorized or unauthorized, constitutes consent to this policy and the policies and procedures set forth by UNC. Evidence of unauthorized use collected during monitoring may be used for administrative action and/or criminal or civil prosecution by UNC legal counsel and law enforcement agencies.

Accept

Decline

Read the Use Policy and Accept to access the WiFi.

UNC Student Portal

Welcome Message

Click **Continue** to connect to the network.

You're very close to gaining network access.

Continue

Click Continue to Successfully Connect.

UNC Student Portal

Success

You now have Internet access through this network.

You should be connected.
Click **DONE** to close the Captive Portal.

Personal Device Registration

Navigate to IM&T's help site - help.unco.edu

- Go to [Network Connectivity's page on Personal Device Registration](#).
- Follow the steps listed on the page to register your device.
