

Windows

Note: Before starting to connect, close all Internet Browsers including Firefox, Google Chrome, Microsoft Edge, Safari, etc.

1. Click the **Wi-Fi** icon in taskbar on the bottom-right. 
2. Click **UNC-Student** in the list of wireless networks, then click connect.

3. When prompted, enter the passphrase: **UNCStudent** (*case sensitive*)
4. The default browser should open and direct you to the following page

A screenshot of the UNC Student Portal login page. The page has a dark blue header with the UNC logo and "Student Portal" text. Below the header is a white login box with a dark blue border. Inside the box, the text "Welcome to the Student Portal" is at the top. Below that is the instruction "Please sign in with your full Bears email and password" followed by an example: "Example: jane1234@bears.unco.edu". There are two input fields: "BearMail:" and "Password:". Both fields have a blue glow effect. Below the input fields is a blue button labeled "Sign On".

5. Login using your full BearMail address and password
6. Read through UNC's Computing Acceptable Use Procedure and click **Accept**
7. After 5 – 10 seconds you will see a Success Page. Open a new tab in any browser and navigate to any site to ensure you are connected.
