Josie said she believes Liz because she always causes drama. Nancy herself has previous interactions with Liz related to softball when Liz was not always honest.

Hypo #2

Jason Franklin is a regular substitute teacher at Engels Middle School. Aaron, a student in Jason's geometry class, knows Jason both from his substitute teaching and from attending church. After class on Thursday, Aaron tearfully asked to speak with Jason. Aaron confided in Jason the prior weekend, Aaron thinks he might have "done something really bad." Aaron shares with Jason an incident that occurred at Aaron's house when his parents were out. Aaron shares that Jordan, another Engels Middle School student, came over and was intoxicated from alcohol. Aaron further shares that Aaron fondled Jordan's breasts while Jordan was unconscious and unaware. Aaron feels badly about the incident and asks Jason if the church would want him to do.
