Honor Code

All members of the University of Northern Colorado community are entrusted with the responsibility to uphold and promote five fundamental values: Honesty, Trust, Respect, Fairness, and Responsibility. These core elements foster an atmosphere, inside and outside of the classroom, which serves as a foundation and guides the UNC community's academic, professional, and personal growth. Endorsement of these core elements by students, faculty, staff, administration, and trustees strengthens the integrity and value of our academic climate.

UNC'S Policies

UNC's policies and recommendations for academic misconduct will be followed. For additional information, please see the Dean of Students' "Student Handbook."

- ☐ Following statement encouraging students with documented disabilities requiring accommodation to contact Disability Support Services:

Disability Statement

Students with disabilities: Any student requesting disability accommodation for this class must inform the instructor by giving appropriate notice. Students are encouraged to contact Disability Support Services at (970) 351-2289 to certify documentation of disability and to ensure appropriate accommodations are implemented in a timely manner.

Faculty members submitting syllabi for acceptance into the LAC will need to provide additional documentation demonstrating how the course will meet the LAC area learning outcomes and how those outcomes will be assessed.
