

# FRIENDS OF THE UNC LIBRARIES--NEWS FLASH!

Sheila Bolsover, Chair

## PARTY, AUG 31

We had a good turnout last Friday at Gene & Peggy Koplitz's. A great time was had by all. Four of our guests became members of the Friends! We are almost a third of the way to attaining my goal of 15% increase in membership.

The best thing about the party was that the members attending were very happy to meet up with old friends and new in a social setting—no pressure of business. I am hoping to bring back some of the “fun stuff” that the Friends used to do, such as book groups, luncheons, etc. We can interact once again as friends, not just Friends with a capital F.

## BOOK SALE, Wednesday, 5<sup>th</sup> Sept.

Laurie Guthman reported an outstanding start to our book sales this year. The Wednesday sales totaled \$870.00. Well done, Laurie and book sales volunteers.

The non-fiction selection, which focused on Art & Culture, and the alphabetized fiction stacks may have had a beneficial effect on the number of books sold. Our patrons found it easier to search for books of interest to them.
