

Book Donation Guidelines

The library thrives upon the generosity of the community and is pleased to accept book donations that meet the following standard guidelines. Exceptions to the below guidelines may be requested, and will be considered on a case-by-case basis at the discretion of the Associate Dean of University Libraries. See **Special Donation Guidelines** below. Signature of a proffer form is required, whereby the donor relinquishes control of the items. Thus, the library reserves the right to decide whether to incorporate, sell, or recycle any donated items.
