

# Summer 2018 Construction Projects

 The areas highlighted in red will have extended closures and will impact building or site users for a majority of the summer.

 Areas highlighted in other colors will have short term impacts for building or site users.

 Lots marked blue will be closed for approximately one week at some point over the summer for asphalt maintenance. Exact dates and durations to be determined

If there are questions or concerns please contact the service center at 970-351-2446
