HALLOWEEN DECORATING CHALLENGE

Departments are invited to decorate one door or window in spook-tacular fashion! For departments that don't have a "designated" space, select one of your lucky colleagues to host your Halloween design.

Decorations can go up the week of October 14th and need to be completed by the 22nd. Each department's space will be judged by our student employees with voting between October 28th-31st.

This year students will vote on two categories:

- Best Halloween Spirit
- Most Creative

The winning departments get bragging rights and a fabulous prize from the M&Ms!
