

A chill is in the air...

Change a life with warm toes

Classified Staff Council and United Way of Weld County wants to make sure no one in Weld County goes without warm socks for the winter. According to the Mayo Clinic, in cold enough conditions, frostbite can occur in 30 minutes or less. Warm, well-fitting socks can prevent this for many people.

With your help, we can provide a pair of warm socks to those in need. Join us this December for our 5th annual Warm Toes Sock Drive.

Donations of new socks will be collected at various sites throughout Weld County.

**Drop new socks off at Michener
Library
Dec. 1 - Dec. 21**
