

Hunt For the Largest Number of Moles

- The hunt begins at 6:02 a.m. on Friday October 22nd and concludes at 6:02 p.m.
- Locate hidden mole slips throughout Ross Hall and Gunter Hall.
- Complete the calculation found on the hidden slip.
- For the first slip you find, you will remove it from its hidden location and carry it with you.
- Continue to look for more hidden moles.
- If you find a slip that has a greater number of moles than the one you have, replace it with the one you are carrying.
- The goal is to finish the hunt having the greatest number of moles.
- Each participant should never have more than one slip at any given time.
- When you are done hunting for moles or at 6:02 p.m., scan the QR code located on the hidden slip.
- MAKE sure to only scan the QR code for your final slip.
 - o Scanning additional QR codes does not increase the odds of winning.
