

VACANCY ANNOUNCEMENT
UNIVERSITY OF NORTHERN COLORADO

Position Title: Visiting Assistant Professor, Mathematics Education **Position Number:** FP99898

Job Summary:

Visiting Assistant Professor, nine month appointment, in the School of Mathematical Sciences, non-tenure-track. Full-time load consists of nine hours of teaching per semester in addition to research and service. Primary teaching responsibilities may include courses in graduate mathematics education, pre-service elementary or secondary mathematics, and undergraduate mathematics content. We offer opportunities to collaborate with a collegial group of mathematics education researchers and mathematicians, as well as graduate students in mathematics education. The School of Mathematical Sciences has a doctoral program in Educational Mathematics and a master's program in mathematics for secondary teachers.

Minimum Qualifications:

Doctorate in Mathematics Education with graduate coursework in mathematics or Doctorate in Mathematics with demonstrable achievement in mathematics education research. ABD will be considered provided that the dissertation has been successfully defended by the starting date. Evidence of effective teaching and potential for research in mathematics education.

Preferred Qualifications:

Research interests in undergraduate and/or secondary mathematics education.

Salary and Benefits:

Salary is commensurate with qualifications and experience. Benefits available include health, life, and dental insurance, as well as a selection of several defined contribution retirement programs. Dependents and spouses of UNC employees who are employed as 0.5 FTE or above are entitled to and eligible for Dependent Tuition Grants. These tuition grants will cover in-state tuition charges. Further requirements may exist. Other benefits may be available based on position.

Requested Start Date:

August 13, 2018.

Application Materials, Contact, and Application Deadline:

Review of applications will begin April 21, 2018, and will continue until position is filled. Interested persons should apply online at <https://careers.unco.edu> and select "View/Apply for Faculty Positions" then choose "Visiting Assistant Professor – Mathematics Education." Application documents to be submitted online are a letter of application/cover letter, a *curriculum vitae*, copies of graduate transcripts, a statement of teaching philosophy, a statement of research interests, and the names and contact information of at least three references.

Reference letters will be solicited via email from that list and will be electronically submitted. Additional information or questions about the position should be directed to avis.werdel@unco.edu, or to Dean Allison, Director, School of Mathematical Sciences, University of Northern Colorado, dean.allison@unco.edu or (970) 351-2820.

Additional Requirements:

Satisfactory completion of a background check, educational check, and authorization to work in the United States is required after a conditional offer of employment has been made. The successful candidate must submit original transcripts within one (1) month of hire.

Location and Environment:

The University of Northern Colorado is a Doctoral University Higher Research Activity (R2) enrolling 12,000+ graduate and undergraduate students. The university, founded in 1889, is located in Greeley, Colorado, which has a growing population of 105,000 and is situated 50 miles north of Denver and 30 miles east of the Rocky Mountains. Further information about UNC and the City of Greeley is available at <http://www.unco.edu>.

Additional Information:

This position is contingent on funding from the Colorado State Legislature, approval by the Board of Trustees, and subject to the policies and regulations of the University of Northern Colorado. Federal regulations require that the University retain all documents submitted by applicants. Materials will not be returned or copied for applicants.

The University of Northern Colorado is an equal opportunity/affirmative action institution that does not discriminate on the basis of race, color, national origin, sex, age, disability, creed, religion, sexual orientation or veteran status. For more information or issues of equity or fairness or claims of discrimination contact the UNC AA/EEO/Title IX Officer at UNC Human Resource Services, Campus Box 54, Carter Hall 2002, Greeley, CO 80639, or call 970-351-2718.
