

HESI Assessment Instructions (testing at Aims Community College, Greeley CO)

Step 1: order your exam through Elsevier:

You must have an Evolve student account with HESI Assessment

Elsevier HESI Assessment and your school have partnered to bring you the best, most reliable testing products available. This is to advise that you must make the following payment in order to sit for your upcoming HESI exam.

Students, please register and pay between 12/1/2023 – 1/19/2024; use the information below:

Order ID	Payment ID	Description	Price
231973	26813	RN Admission Assessment (A2) - 1st Time Tester	\$54.00

To make your payment, login to Evolve using the link below and then click on the "Student Access" link where you will be instructed to complete the required payment information.

- On the day of your scheduled exam, please arrive 10 minutes early so they can get you checked in.

- You will need to present a valid, physical photo ID card. They cannot accept student ID's, digital ID's, nor can they accept a photo of a photo ID. Your ID must be physical and current.
- You must come to the Testing Center with your Evolve username and password (ideally having it memorized, prior to showing up). If you do not have an Evolve account yet, please [create one here](#).
 - Your Evolve username is NOT your email address. You have a separate username that is generated when you create an account. This username can be found in your account details, and is typically your first initial, last name, with a number at the end.
- You must have already purchased your HESI A2 exam from Evolve. You will not be permitted to test if you haven't paid Evolve. Refer to Step 1 (above).
- Seats are limited. You must have already signed up for a seat on the Sign-up Genius page (see Step 2 above).
- There is a proctor fee of \$25, paid immediately prior to testing. There is only one way to pay the proctor fee:
 - \$25 exact change for the testing fee, made payable upon your arrival. They cannot break bills, and they do not accept credit cards or checks.

The important thing to note is, there is no ATM on the Aims Community College campus anymore, so exact change is crucial.

Step 4: take the HESI exam!

- You will have 4 hours to take the exam.
- You will have access to the entire HESI exam; however, UNC School of Nursing only requires the following categories:
 - Mathematics
 - Vocabulary
 - Reading Comprehension
 - Anatomy & Physiology
- ***Please come to your testing session with a list of the HESI A2 test sections you need to take, preferably memorized.***
- A score report print-out will be provided to you upon completion of your exam.
- UNC School of Nursing will receive your scores directly from Aims & Elsevier.

Contact the School of Nursing at 970-351-2293 or nursing@unco.edu if you have any questions.
