This worksheet is a recommended schedule to complete your bachelor's degree in 4 years. Every UNC student must meet the following requirements in order to graduate with a bachelor's degree: earn a minimum of 120 semester credit hours; possess a minimum of a 2.00 cumulative grade point average; have at least 40 credit hours in courses designated as Liberal Arts Core; meet all degree requirements in the student's major field of study. Each major and/or emphasis may have additional requirements necessary for graduation. **Students must consult with their major advisor to receive information on any additional graduation requirements.**

### Notes

- <sup>1</sup>SES 266 Intro. to P.E. as a Profession and SES 170 Intro. to Field Based Exp. are taken concurrently.
- <sup>2</sup>SES 440 & 440L, SES 441 & 441L are taken concurrently.
- <sup>3</sup>Students taking these courses do not have to take them during the year or semester listed above.
- <sup>4</sup>SES 200 Weight Training and Conditioning; SES 201 Track and Field Activities; SES 209 Dance Activities; SES 210 Dev. Appropriate Elementary Activities; SES 240 Secondary P.E. Content; SES 241 Secondary P.E. Content II are offered irregularly.
- <sup>5</sup>Prior to student teaching, students must have successfully completed all required Sport and Exercise Science K-12 Licensure Program courses, be fully admitted to the major and PTEP programs, achieve proficient or advanced on all dispositions and pass the state licensure examination.
- Have a "C" or better in all required courses in SES K-12. C minus is not acceptable. Major courses receiving a grade of "D" or lower must be retaken until a grade of "C" or better (C- is not acceptable) is achieved.
- Students who plan to apply for K-12 Teacher Licensure in the State of Colorado must student teach at both the elementary and secondary levels.

The mission of the Sport and Exercise Science teaching program is to prepare professionals capable of delivering programs that promote self-directed, responsible, physically active lifestyles in school-aged children and youth across the state and region. The focus of Physical Education Teacher Education is to graduate entry level professional physical educators who possess a personal and professional commitment to physical activity and will demonstrate the knowledge and skills requisite to promoting learning in the area of physical activity.
