

SECTION 3:

1. What is your team's vision for your course collaboration?

*Write a short **vision statement**. Then write **indicators** that will establish when your vision is in place.*

Vision:

2. What community agreements will your team use to promote high performance, achievement of your vision, and shared transformative learning?

*Record 3-5 norms that reflect shared **expectations** for individual and team engagement and collaboration.*

Norms:

3. How will you hold each other accountable through your collaborative work and shared learning experiences?

*Write several **accountability** statements to capture your expectations for individual contributions and team level support and recognition.*

Accountability:
